To proceed, this project requires the necessary economic incentives to cause completion of this project and long term operating cost feasibility. This is a transformative project for this area of the City and will make this difference in causing a change in the fundamental character of this Central Avenue corridor.

6. Is the Project located in the City's state designated Empire Zone? Yes \_\_; No X.

C. Project Cost/Benefit Information. Complete the attached Cost/Benefit Analysis so that the Agency can perform a cost/benefit analysis of undertaking the Project. Such information should consist of a list and detailed description of the benefits of the Agency undertaking the Project (e.g., number of jobs created, types of jobs created, economic development in the area, etc.). Such information should also consist of a list and detailed description of the costs of the Agency undertaking the Project (e.g., tax revenues lost, buildings abandoned, etc.).

VII. REPRESENTATIONS BY THE APPLICANT. The applicant understands and agrees with the Agency as follows:

A. Job Listings. Except as otherwise provided by collective bargaining agreements, new employment opportunities created as a result of the Project will be listed with the New York State Department of Labor Community Services Division (the "DOC") and with the administrative entity (collectively with the DOC, the "JTPA Entities") of the service delivery area created by the federal job training partnership act (Public Law 97-300) ("JTPA"), as replaced by the Workforce Investment Act of 1998 (Public Law 105-220), in which the Project is located.

B. First Consideration for Employment. In accordance with Section 858-b(2) of the New York General Municipal Law, the applicant understands and agrees that, if the Project receives any Financial Assistance from the Agency, except as otherwise provided by collective bargaining agreements, where practicable, the applicant will first consider persons eligible to participate in JTPA programs who shall be referred by the JTPA Entities for new employment opportunities created as a result of the Project.

C. City Human Rights Law. The applicant has reviewed the provisions of Chapter 48, Article III of the City Code, entitled “The Omnibus Human Rights Law” and agrees to comply with such provisions to the extent that such provisions are applicable to the applicant and the Project.

D. Annual Sales Tax Filings. In accordance with Section 874(8) of the New York General Municipal Law, the applicant understands and agrees that, if the Project receives any sales tax exemptions as part of the Financial Assistance from the Agency, in accordance with Section 874(8) of the General Municipal Law, the applicant agrees to file, or cause to be filed, with the New York State Department of Taxation and Finance, the annual form prescribed by the Department of Taxation and Finance, describing the value of all sales tax exemptions claimed by the applicant and all consultants or subcontractors retained by the applicant.

E. Annual Employment Reports. The applicant understands and agrees that, if the Project receives any Financial Assistance from the Agency, the applicant agrees to file, or cause to be filed, with the Agency, on an annual basis, reports regarding the number of people employed at the Project site, including (1) the NYS-45 – Quarterly Combined Withholding, Wage Reporting and Unemployment Insurance Return – for the quarter ending December 31 (the “NYS-45”), and (2) the US Dept. of Labor BLS 3020 Multiple Worksite report if applicable. The applicant also agrees, whenever requested by the Agency, to provide and certify or cause to be provided and certified such information concerning the participation of individuals from minority groups as employees or applicants for employment with regard to the project.

Pursuant to Part 24 of the Policy Manual of the Agency, the applicant agrees to provide information, in form and substance satisfactory to the Agency, relating to construction activities for projects; specifically: (i) the Company’s contact person responsible and accountable for providing information about the bidding for and awarding of construction contracts relative to this Application and the Project, (ii) the nature of construction jobs created by the Project, including the number, type, and duration of construction positions; and (iii) submit to the Agency a “Construction Completion Report” listing the names and business locations of prime contractors, subcontractors, and vendors who were engaged in the construction phase of the Project.

G. Additional Fee for Low Income Housing/Tax Credit (9% only) Projects. An annual administrative fee equal to \$10,000 shall be payable annually by the applicant on each January 1 for a term equal to ten (10) years. This annual administrative fee is in addition to the standard administrative fee for Agency Straight Lease Transactions and Agency Bond Transactions and is applicable to Projects which provide for low income housing/tax credit (9% only) projects.

H. Project Benefits Agreement. The applicant agrees to enter into a project benefits agreement with the Agency where the applicant agrees that (1) the amount of Financial

Assistance to be received shall be contingent upon, and shall bear a direct relationship to the success or lack of success of such project in delivering certain described public benefits (the "Public Benefits") and (2) the Agency will be entitled to recapture some or all of the Financial Assistance granted to the applicant if the project is unsuccessful in whole or in part in delivering the promised Public Benefits.

I. Assignment of Agency Abatements. In connection with any Agency Straight Lease Transaction or Agency Bond Transaction, the Agency may grant to the applicant certain exemptions from mortgage recording taxes, sales and use taxes and real property taxes. The applicant understands that the grant of such exemptions by the Agency is intended to benefit the applicant. Subsequently, if the applicant determines to convey the Project and, in connection with such conveyance to assign such exemptions to the purchaser, the applicant understand that any such assignment is subject to review and consent by the Agency, together with the satisfaction of any conditions that may be imposed by the Agency.

J. Post-Closing Cost Verification. The applicant agrees (1) the scope of the Project will not vary significantly from the description in the public hearing resolution for the project and (2) to deliver to the Agency within sixty (60) days following the completion date of a project an affidavit providing the total costs of the project. In the event that the amount of the total project costs described in the affidavit at the completion date exceeds the amount described in an affidavit provided by the applicant on the closing date of the project, the applicant agrees to adjust the amounts payable by the applicant to the Agency by such larger amount and to pay to the Agency such additional amounts. In the event that the amount described is less, there shall not be any adjustment to the Agency fees.

K. Representation of Financial Information. Neither this Application nor any other agreement, document, certificate, project financials, or written statement furnished to the Agency or by or on behalf of the applicant in connection with the project contemplated by this Application contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein or therein not misleading. There is no fact within the special knowledge of any of the officers of the applicant which has not been disclosed herein or in writing by them to the Agency and which materially adversely affects or in the future in their opinion may, insofar as they can now reasonably foresee, materially adversely affect the business, properties, assets or condition, financial or otherwise, of the applicant.

L. Agency Financial Assistance Required for Project. The Project would not be undertaken but for the Financial Assistance provided by the Agency or, if the Project could be undertaken without the Financial Assistance provided by the Agency, then the Project should be undertaken by the Agency for the following reasons:

M. The community benefits to arise from this single project will be significant. This property has been vacant for many years and has to date be a component of a long blighted and dilapidated portion of the Central Avenue corridor. The Mayfair, constructed in 1872, was long an important and productive property, with uses ranging from a retail establishment, to a car dealership and then a furniture store. This property is at the edge of the increasingly vibrant Downtown and the Lark Street business district, none of which has crossed over to this area. We believe this adaptive re-use will spur a transformation of this area of the Central Avenue corridor and the surrounding neighborhoods. This transformation will be driven by this property's quality fresh, retail and apartments tailored to the 21st century. Individuals will come to shop and to live, and will purchase goods and services, which will drive other property owners to make similar improvements better for the property owners, wonderful for the residents as well as the City tax base.
