UNIFORM AGENCY PROJECT AGREEMENT

THIS UNIFORM AGENCY PROJECT AGREEMENT dated as of August 1, 2018 (the "Uniform Agency Project Agreement") by and between CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY, a public benefit corporation organized and existing under the laws of the State of New York (the "State") having an office for the transaction of business located at 21 Lodge Street, Albany, New York 12207 (the "Agency") and 363 ONTARIO ST LLC, a limited liability company duly organized and validly existing under the laws of the State of New York having an office for the transaction of business located at P.O. Box 1366, Guilderland, New York 12084 (the "Company");

WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "Enabling Act") was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York, as amended; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 325 of the Laws of 1974 of the State, as amended, codified as Section 903-a of the General Municipal Law of the State (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") and is empowered under the Act to undertake the Project (as hereinafter defined) in order to so advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, in November, 2017, 363 Ontario St LLC (the "Company"), a limited liability company duly organized and validly existing under the laws of the State of New York, presented an application (the "Application") to the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project to include the following: (A) (1) the acquisition of an interest in an approximately 1.8 acre parcel of land with an address of 363 Ontario Street (tax map no.: 64.76-4-47) in the City of Albany, Albany County, New York (the "Land"), together with the existing improvements containing in the aggregate approximately 140,000 square feet of space located thereon (the "Existing Facility"), (2) the demolition of the Existing Facility, (3) the construction on the Land of three (3) buildings to contain in the aggregate approximately 175,500 square feet of space (collectively, the "Facility") and (4) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property (the "Equipment") (the Land, the Existing Facility, the Facility, and the Equipment being collectively referred to as the "Project Facility"), all of the foregoing to constitute a residential apartment building containing approximately 109

units, with approximately 99 underground and approximately 44 surface parking spaces and first floor retail space to be owned and operated by the Company, and any other directly and indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real property transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, by resolution adopted by the members of the Agency on January 18, 2018 (the “Public Hearing Resolution”), the Agency authorized a public hearing to be held pursuant to Section 859-a of the Act with respect to the Project; and

WHEREAS, pursuant to the authorization contained in the Public Hearing Resolution, the Chief Executive Officer of the Agency (A) caused notice of a public hearing of the Agency (the “Public Hearing”) pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on January 23, 2018 to the chief executive officers of the county and of each city, town, village and school district in which the Project is or is to be located, (B) caused notice of the Public Hearing to be posted on a public bulletin board on January 23, 2018 at Albany City Hall located at 24 Eagle Street in the City of Albany, Albany County, New York, as well as on the Agency’s website, (C) caused notice of the Public Hearing to be published on January 26, 2018 in the Albany Times Union, a newspaper of general circulation available to the residents of the City of Albany, New York, (D) conducted the Public Hearing on February 7, 2018 at 12:00 p.m., local time at offices of the Agency located at 21 Lodge Street, City of Albany, Albany County, New York, and (E) prepared a report of the Public Hearing (the “Hearing Report”) fairly summarizing the views presented at such Public Hearing and caused copies of said Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations (the “Regulations”) adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, “SEQRA”), by resolution adopted by the members of the Agency on March 1, 2018 (the “SEQR Resolution”), the Agency (A) concurred in the determination that the City of Albany Planning Board (the “Planning Board”) is the “lead agency” with respect to SEQRA and (B) acknowledged receipt of a negative declaration from the Planning Board issued on February 8, 2018 (the “Negative Declaration”), in which the Planning Board determined that the Project would not have a significant adverse environmental impact on the environment, and therefore, that an environmental statement need not be prepared with respect to the Project; and

WHEREAS, by further resolution adopted by the members of the Agency on March 1, 2018 (the “Commercial/Retail Finding Resolution”), the Agency (A) determined that the Project constituted a “commercial project” within the meaning of the Act, (B) found that although the Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act because the Project Facility is located in a highly distressed area, (C) determined, following a review of the Hearing Report, that the Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York, and (D) determined that the Agency would proceed with the Project and the granting of the Financial Assistance; provided however, that no financial assistance would be provided to the Project by the Agency unless and

until the Mayor of City of Albany, as chief executive officer of City of Albany, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Project; and

WHEREAS, by resolution adopted by the members of the Agency on March 1, 2018 (the “Pilot Deviation Approval Resolution”), the members of the Agency determined to deviate from the Agency’s uniform tax exemption policy with respect to the Project; and

Pursuant to the terms of the Lease Agreement, (A) the Company will agree (1) to cause the Project to be undertaken and completed, and (2) as agent of the Agency, to undertake and complete the Project and (B) the Agency has leased the Project Facility to the Company. The Lease Agreement grants to the Company certain options to acquire the Project Facility from the Agency; and

WHEREAS, simultaneously with the execution and delivery of the Lease Agreement (the “Closing”), (A) the Company will execute and deliver to the Agency (1) a certain lease to agency dated as of August 1, 2018 (the “Lease to Agency”) by and between the Company, as landlord, and the Agency, as tenant, pursuant to which the Company will lease to the Agency a portion of the Land and all improvements now or hereafter located on said portion of the Land (collectively, the “Leased Premises”); (2) a certain license agreement dated as of August 1, 2018 (the “License to Agency”) by and between the Company, as licensor, and the Agency, as licensee, pursuant to which the Company will grant to the Agency (a) a license to enter upon the balance of the Land (the “Licensed Premises”) for the purpose of undertaking and completing the Project and (b) in the event of an occurrence of an Event of Default by the Company, an additional license to enter upon the Licensed Premises for the purpose of pursuing its remedies under the Lease Agreement; and (3) a certain bill of sale dated as of August 1, 2018 (the “Bill of Sale to Agency”), which conveys to the Agency all right, title and interest of the Company in the Equipment, (B) the Company and the Agency will execute and deliver (1) a certain payment in lieu of tax agreement dated as of August 1, 2018 (the “Payment in Lieu of Tax Agreement”) by and between the Agency and the Company, pursuant to which the Company will agree to pay certain payments in lieu of taxes with respect to the Project Facility, (2) a certain recapture agreement (the “Section 875 GML Recapture Agreement”) by and between the Company and the Agency, required by the Act, regarding the recovery or recapture of certain sales and use taxes and (3) a certain uniform agency project agreement dated as of August 1, 2018 (the “Uniform Agency Project Agreement”) relating to the granting of the Financial Assistance by the Agency to the Company, (C) the Agency will file with the assessor and mail to the chief executive officer of each “affected tax jurisdiction” (within the meaning of such quoted term in Section 854(16) of the Act) a copy of a New York State Board of Real Property Services Form 412-a (the form required to be filed by the Agency in order for the Agency to obtain a real property tax exemption with respect to the Project Facility under Section 412-a of the Real Property Tax Law) (the “Real Property Tax Exemption Form”) relating to the Project Facility and the Payment in Lieu of Tax Agreement, (D) the Agency will execute and deliver to the Company a sales tax exemption letter (the “Sales Tax Exemption Letter”) to ensure the granting of the sales tax exemption which forms a part of the Financial Assistance, (E) the Agency will file with the New York State Department of Taxation and Finance the form entitled “IDA Appointment of Project Operator or Agent for Sales Tax Purposes” (the form required to be filed pursuant to Section 874(9) of the Act) (the “Thirty-Day Sales Tax Report”) and any additional report to the Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the “Additional Thirty-Day Project Report”), (F) the Agency and J. Luke Construction Co., LLC (the “Contractor”) will enter into (1) a certain agency indemnification agreement dated as of August 1, 2018 (the “Contractor Agency and Indemnification

Agreement”) by and between the Agency and the Contractor and (2) a certain recapture agreement dated as of August 1, 2018 (the “Contractor Section 875 GML Recapture Agreement”) by and between the Agency and the Contractor, (G) the Agency will execute and deliver to the Contractor a sales tax exemption letter (the “Contractor Sales Tax Exemption Letter”) and (H) the Agency will file a Thirty-Day Sales Tax Report (the “Contractor Thirty-Day Sales Tax Report”) and any additional report to the Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the “Additional Thirty-Day Project Report”); and

WHEREAS, by certificate dated April 10, 2018 (the “Public Approval”), the Mayor of the City of Albany confirmed the proposed action to be taken by the Agency with respect to the Project for the purposes of Section 862(2)(c) of the Act; and

WHEREAS, (A) the Agency has established certain policies allowing denial of Financial Assistance to any project which does not deliver the public benefits promised at the time said project was approved by the Agency (the “Public Benefits”), (B) the Agency is unwilling to grant Financial Assistance to a project unless the beneficiary of such project agrees that the amount of Financial Assistance to be received by such beneficiary with respect to such project shall be contingent upon, and shall bear a direct relationship to, the success or lack of success of such project in delivering the promised Public Benefits, and (C) the Agency has created this Uniform Agency Project Agreement in order to establish the conditions under which the Agency will be entitled to recapture some or all of the Financial Assistance that has been granted to the Company under the Basic Documents if the Project is unsuccessful in whole or in part in delivering the promised Public Benefits; and

(1) At all times during the term of this Uniform Agency Project Agreement, the Company shall not discriminate against any employee or applicant for employment because of race, color, creed, age, sex or national origin. The Company shall use its best efforts to ensure that employees and applicants for employment with the Company or any subtenant of the Project Facility are treated without regard to their race, color, creed, age, sex, or national origin. As used herein, the term “treated” shall mean and include, without limitation, the following: recruited, whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship; promoted; upgraded; downgraded; demoted; transferred; laid off; and terminated.

(2) The Company agrees that, in all solicitations or advertisements for employees placed by or on behalf of the Company during the term of this Uniform Agency Project Agreement, the Company will state in substance that all qualified applicants will be considered for employment without regard to race, color, creed or national origin, age or sex.

(G) Information. Whenever requested by the Agency, to provide and certify or cause to be provided and certified by third party vendors, such information concerning the Company, its finances and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to verify and confirm the reports submitted by the Company pursuant to this Uniform Agency Project Agreement.

ARTICLE IV

EVENTS OF DEFAULT AND REMEDIES

SECTION 4.01. EVENTS OF DEFAULT DEFINED. (A) The following shall be “Events of Default” under this Uniform Agency Project Agreement, and the terms “Event of Default” or “default” shall mean, whenever they are used in this Uniform Agency Project Agreement, any one or more of the following events:

- (1) A default in the performance or observance of any of the covenants, conditions or agreements on the part of the Company in this Uniform Agency Project Agreement and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, provided that, if such default is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the same with due diligence.
- (2) The occurrence of an “Event of Default” under any other Basic Document.
- (3) Any representation or warranty made by the Company herein or in any other Basic Document proves to have been false at the time it was made.

SECTION 4.02. REMEDIES ON DEFAULT. (A) Whenever any Event of Default hereunder shall have occurred, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- (1) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 of the Lease Agreement, and (b) all other payments due under this Uniform Agency Project Agreement or any of the other Basic Documents; or
- (2) terminate the Lease Agreement and the Payment in Lieu of Tax Agreement and convey to the Company all the Agency’s right, title and interest in and to the Project Facility (the conveyance of the Agency’s right, title and interest in and to the Project Facility shall be effected by the delivery by the Agency of the Termination of Lease to Agency and the Bill of Sale to Company. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such transfer of title); or
- (3) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements, or covenants of the Company under this Uniform Agency Project Agreement.

(B) No action taken pursuant to this Section 4.02 (including repossession of the Project Facility) shall relieve the Company from its obligations to make any payments required by this Uniform Agency Project Agreement and the other Basic Documents.

SECTION 4.03. RECAPTURE OF FINANCIAL ASSISTANCE. (A) General. Upon the occurrence of a Recapture Event that occurs during the Recapture Period, the Agency may require the Company to provide for the recapture of the project financial assistance provided as of the date of determination (the “Project Financial Assistance”), all in accordance with the terms of this Section 4.03. The Company

hereby agrees, if requested by the Agency, to pay within thirty (30) days to the Agency the recapture of the Project Financial Assistance, as provided in this Section 4.03.

(B) Project Financial Assistance to be Recaptured. The Project Financial Assistance to be recaptured, as adjusted by the provisions of Section 4.03(C) below, by the Agency from the Company upon the occurrence of a Recapture Event during a Recapture Period shall be an amount equal to a percentage (as provided in subsection (C) below) multiplied by the sum of the following:

(1) the portion of the amount of New York State sales and use taxes allocable to Albany County that the Company would have paid as of the date of determination in connection with the undertaking of the Project if the Project Facility was privately owned by the Company and not deemed owned or under the jurisdiction and control of the Agency;

(2) the amount of any mortgage recording tax exemption provided by the Agency to the Company in connection with the undertaking of the Project (i.e., excluding the transit authority portion of the mortgage recording tax which the Agency has not provided an exemption); and

(3) the difference between the amount of the payment in lieu of tax payments paid by the Company under the Payment in Lieu of Tax Agreement and the amount of the general real property ad valorem taxes that would have been payable by the Company to the Taxing Entities if the Project Facility was privately owned by the Company and not deemed owned or under the jurisdiction and control of the Agency.

(C) Amount of Project Financial Assistance to be Recaptured. Upon the occurrence of a Recapture Event, the Company shall pay to the Agency the following amounts as recapture:

Year	Amount of Recapture
2018	100% of the Project Financial Assistance
2019	100% of the Project Financial Assistance

2037	20% of the Project Financial Assistance
2038	15% of the Project Financial Assistance
2039	10% of the Project Financial Assistance
2040	5% of the Project Financial Assistance

(D) Redistribution of Project Financial Assistance to be Recaptured. Upon the receipt by the Agency of any amount of Project Financial Assistance pursuant to this Section 4.03, the Agency shall redistribute such amount within thirty (30) days of such receipt to the Taxing Entity that would have received such amount but for the granting by the Agency of the Project Financial Assistance.

(E) Survival of Obligations. The Company acknowledges that the obligations of the Company in this Section 4.03 shall survive the conveyance of the Project Facility to the Company and the termination of the Lease Agreement.

(F) Agency Review of Recapture Determination. The Agency's determination to recapture all or a portion of the Project Financial Assistance shall be made by the Agency after an evaluation of the criteria for recapture set forth in the Agency's "Recapture Benefits Policy" as in effect as of the Closing Date (a copy of which policy is attached hereto as Schedule B). If the Agency determines that a Recapture Event has occurred, it shall give notice of such determination to the Company. The Company shall have thirty (30) days from the date the notice is deemed given to submit a written response to the Agency's determination and to request a written and/or oral presentation to the Agency why the proposed recapture amount should not be paid to the Agency. The Company may make its presentation at a meeting of the Agency. The Agency shall then vote on a resolution recommending (i) a termination of Financial Assistance, (ii) a recapture of Financial Assistance, (iii) both a termination and a recapture of Finance Assistance, (iv) a modification of Financial Assistance or (iv) no action.

SECTION 4.04. LATE PAYMENTS. (A) One Month. If the Company shall fail to make any payment required by this Uniform Agency Project Agreement within thirty days of the date that written notice of such payment is sent from the Agency to the Company at the address provided in Section 5.05 of this Uniform Agency Project Agreement, the Company shall pay the amount specified in such notice together with a late payment penalty equal to five percent (5%) of the amount due.

(B) Thereafter. If the Company shall fail to make any payment required by this Uniform Agency Project Agreement when due and such delinquency shall continue beyond the thirty days after such notice, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the Agency until such payment in default shall have been made in full, and the Company shall pay the same to the Agency together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

SECTION 4.05. PAYMENT OF ATTORNEY'S FEES AND EXPENSES. If the Company should default in performing any of its obligations, covenants or agreements under this Uniform Agency Project Agreement and the Agency should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation, covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency within thirty (30) days not only the amounts adjudicated due hereunder, together with the late payment penalty and interest due thereon, but also the reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred, whether or not an action is commenced.

SECTION 4.06. REMEDIES; WAIVER AND NOTICE. (A) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Uniform Agency Project Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of a Recapture Event or an Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Uniform Agency Project Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Uniform Agency Project Agreement.

(D) No Waiver. In the event any provision contained in this Uniform Agency Project Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release, or modification of this Uniform Agency Project Agreement shall be established by conduct, custom, or course of dealing.

RECAPTURE BENEFITS POLICY

PART 25

POLICY RESPECTING RECAPTURE OF PROJECT BENEFITS

SECTION 2501. PURPOSE AND JUSTIFICATION. (A) The purpose of this Policy is to outline the procedures utilized by City of Albany Industrial Development Agency (the “Agency”) to review compliance with (1) the requirements of the Agency relating to job creation and/or retention, other expected public benefits and reporting and (2) the requirements of the State of New York (the “State”) relating to sales tax exemptions and reporting.

(B) The Agency was created pursuant to Section 903-a of Title 2 of Article 18-A of the General Municipal Law and Title 1 of Article 18-A the General Municipal Law (collectively, the “Act”) for the purpose of promoting employment opportunities for, and the general prosperity and economic welfare of, residents of the City of Albany and the State. Under the Act, the Agency was created in order to advance the job opportunities, health, general prosperity, and economic welfare of the residents of the City of Albany, New York (the “City”) and of the State.

(C) The Agency has been advised that a number of other industrial development agencies have adopted policies that (1) contain provisions allowing the industrial development agency to recapture certain financial benefits provided by said agency to a project applicant if said project applicant does not fulfill certain job creation promises contained in its application or fails to fulfill certain other promises made to said agency and (2) allow said agency to take into account exigent circumstances in deciding whether to exercise these provisions respecting the recapture of said financial benefits.

(D) Chapter 59 of the Laws of 2013 (Part J), effective March 28, 2013 (the “2013 Budget Law”), enacted March 28, 2013, established new recordkeeping, reporting, and recapture requirements for industrial development agency projects that receive sales tax exemptions.

(E) The new sales tax recording and reporting requirements required by the 2013 Budget Law include the following: (1) a requirement to keep records of the amount of sales tax benefits provided to each project and make those records available to the State upon request; (2) a requirement to report to the State, within 30 days after providing financial assistance, the amount of sales tax benefits intended to be provided to a project; and (3) a requirement that the Agency post on the internet and make available without charge copies of its resolutions and agreements appointing an agent or project operator or otherwise related to any project it establishes. A project operator (“Project Operator”) is appointed by the Agency through the filing of form ST-60 with the New York State Department of Taxation and Finance.

(F) The 2013 Budget Law requires that the Agency recapture State sales tax benefits where: (1) the project is not entitled to receive those benefits; (2) the exemptions exceed the amount authorized or are claimed for unauthorized property or services; or (3) the Project Operator failed to use property or services in the manner required by its agreements with the Agency.

(G) For purposes of this Policy, with respect to a particular calendar year and a particular project, the term “financial assistance” shall include the following:

(1) Proceeds of debt obligations issued by the Agency with respect to said project have been disbursed during the calendar year in question.

(2) Any tax exemption or abatement (a) which may have directly or indirectly benefitted the project or Project Operator shall during such calendar year and (b) which resulted from (i) the Agency's title to, possession of or, control of or other interest in said project, or (ii) the designation by the Agency of said project occupant (or any sublessee, contractor, supplier or other operator of the project) as an agent of the Agency.

(3) Any grant made by the Agency with respect to said project or Project Operator shall during such calendar year.

(4) Any loan made by the Agency with respect to said project or Project Operator shall during such calendar year.

(H) For purposes of this Policy, with respect to a particular project, the term "Project Agreements" shall mean the project documents between the Agency and an applicant with respect to the applicant's project. In addition to a lease agreement or installment sale agreement between the Agency and the applicant, the Project Agreements may also include a payment in lieu of tax agreement, a project agreement, and one or more recapture agreements, as well as security agreements intended to ensure compliance by the applicant with the requirements of the Project Agreements.

SECTION 2502. REQUIREMENTS FOR APPLICANTS. (A) Under the Act, the Agency is required to submit certain annual reports relating to Agency projects to the New York State Office of the Comptroller. In order to satisfy its annual reporting requirements and other requirements under the Act and certain other requirements imposed by the Act, as well as the new requirements imposed upon the Agency by the 2013 Budget Law, the Agency will require each applicant for financial assistance from the Agency agree to satisfy the following requirements as a condition to the receipt of such financial assistance:

(1) Any applicant requesting a sales tax exemption from the Agency must include in the application a realistic estimate of the value of the savings anticipated to be received by the applicant. Each applicant is hereby warned to provide a realistic estimate in the application, as the 2013 Budget Law and the regulations expected to be enacted thereunder are expected to require that the Agency recapture any benefit that exceeds the greater of (a) the amount listed in said application or (b) authorized by the Agency in a separate resolution.

(2) Any applicant requesting a sales tax exemption from the Agency must agree to annually file (and cause any sublessee, contractor, supplier or other operator of the project to file annually) with the State, on a form and in such manner as is prescribed by the State, a statement of the value of all sales and use tax exemptions claimed by the applicant and all contractors, subcontractors, consultants and other agents of the applicant under the authority granted to the applicant by the Agency.

(3) Any applicant requesting a sales tax exemption from the Agency must agree to furnish to the Agency a copy of each such annual report submitted to the State by the applicant or any sublessee, contractor, supplier or other operator of the project.

(4) As required by the 2013 Budget Law, the Project Agreements will provide that any sales tax benefits determined by the Agency to be subject to recapture pursuant to the 2013

Budget Law must be remitted by the applicant to the Agency within 20 days of a request therefor by the Agency.

(5) The applicant agrees that, as required by the 2013 Budget Law, the resolutions of the Agency with respect to the project and the Project Agreements will now be publicly available on the Agency's website. As provided in the New York Freedom of Information Law ("FOIL"), the applicant may request that certain information contained therein be redacted and, if the applicant can demonstrate to the satisfaction of the Agency that release of said information would result in substantial harm to the applicant's competitive position, the Agency may comply with such request.

(6) Except as otherwise provided by collective bargaining agreements, new employment opportunities created as a result of the Project will be listed with the New York State Department of Labor Community Services Division (the "DOC") and with the administrative entity (collectively with the DOC, the "JTPA Entities") of the service delivery area created by the federal job training partnership act (Public Law 97-300) ("JTPA"), as replaced by the Workforce Investment Act of 1998 (Public Law 105-220), in which the Project is located.

(7) Except as otherwise provided by collective bargaining agreements, where practicable, the applicant will first consider persons eligible to participate in JTPA programs who shall be referred by JTPA Entities for new employment opportunities created as a result of the Project.

(8) The applicant agrees, whenever requested by the Agency, to provide and certify or cause to be provided and certified such information concerning the Applicant, its finances and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by law or governmental regulation.

(9) Within sixty (60) days after the end of each calendar year, the applicant shall furnish to the Agency a certificate of an Authorized Representative of the applicant stating that no event of default under the Project Agreements has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the applicant has taken or proposes to take with respect thereto, and setting forth the unpaid principal balance of the Bonds and accrued but unpaid interest thereon and that no defenses, offsets or counterclaims exist with respect to the indebtedness evidenced thereby.

(10) The applicant shall insure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

(11) The applicant agrees to file with the Agency, no later than sixty (60) days after the end of each calendar year, reports regarding the number of people employed at the project and certain other matters.

(B) In order to ensure that the project will create the public benefits anticipated by the Agency accruing to the residents and taxpayers of the City, the Project Agreements will require that each Agency Project Operator agree that, annually, within 60 days of the end of each calendar year during which a project has received any financial assistance from the Agency, such Agency Project Operator will complete and file with the Agency an annual report (the "Operator Annual Report") describing the status of the project during the calendar year just completed, including such information as: jobs projected to be created/retained; estimated salary of jobs to be created/retained; current number of jobs; construction jobs

created through the year; exemptions from taxes and payments in lieu of tax made; status of local labor; and status of bond financing related to the project.

SECTION 2503. ENFORCEMENT.(A) The Agency will use the information contained in the Operator Annual Report, and may use site visits and follow-ups, to gauge the status of a project in relation to the original commitment of the applicant as stated in the project application.

(B) Should the staff or board members of the Agency find significant deficiencies in any area; the project will be further reviewed. Examples of situations that may trigger review and/or action by the Agency include:

(1) If the Project Operator shifts production activity to a facility outside of the City and, as a result, fails to achieve the economic benefits projected;

(2) If the Project Operator moves all operations outside the City, neglects to move operations to the City, or the project does not otherwise conform to the project described in the Project Agreements;

(3) If a significant shortfall in economic benefits is identified, as compared with the application, such as a significant shortfall in new job creation/retention and/or expected major investments in the business;

(4) Failure to comply with annual reporting requirements or provide the Agency with requested information; or

(5) Closure of a project within the time period the applicant receives Agency financial assistance.

(C) Should the staff or board members of the Agency find significant deficiencies in the achievement of the economic benefits promised as described in the application and the Project Agreements, the Project Operator will be asked to provide justification for said shortfalls. The board members of the Agency will compare these statements against industry standards, as well as the current market and economic conditions, to determine whether the Project Operator did all that it could to meet its obligations as outlined in the application and the Project Agreements.

(D) The board members of the Agency will determine on a case by case basis whether a hearing is appropriate to allow a Project Operator to be heard on the issue regarding said Project Operator's failure to achieve the projected economic benefits.

(E) Should the board members of the Agency find that (1) significant deficiencies in the achievement of the economic benefits promised as described in the application and the Project Agreements have occurred and (2) there appears to be no justification satisfactory to the Agency to explain these deficiencies, the Agency may determine to undertake any enforcement action available to the Agency under the Agency Agreements to seek redress for these deficiencies.

(F) Enforcement action taken by the Agency under the Agency Documents may include, but shall not be limited to, the following:

(1) Requesting cure of the deficiency by a final notice letter.

(2) Forwarding an event of default notice under the Project Agreements.

(3) Notifying appropriate New York State agencies of the Project Operator's failure to comply with such requirements.

(4) Terminating any or all of the Project Agreements early.

(5) Reducing the value of financial assistance moving forward.

(6) Terminating any future financial assistance.

(7) Requiring that the value of all the financial assistance utilized to date to be repaid in full or in part.

(G) In connection with the undertaking of a Project and/or the preparation of Project Agreements, the Agency also reserves the right to negotiate the terms and conditions of these recapture provisions.

SECTION 2504. EFFECTIVE DATE. This policy shall be effective with respect to any project undertaken by the Agency where receipt of the application for the project occurs after the date of approval of this Policy.

PAYMENT IN LIEU OF TAX AGREEMENT

THIS PAYMENT IN LIEU OF TAX AGREEMENT dated as of August 1, 2018 (the "Payment in Lieu of Tax Agreement") by and between CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY, a public benefit corporation organized and existing under the laws of the State of New York having an office for the transaction of business located at 21 Lodge Street, Albany, New York (the "Agency"), and 363 ONTARIO ST LLC, a limited liability company organized and existing under the laws of the State of New York having an office for the transaction of business located at P.O. Box 1366, Guilderland, New York (the "Company");

WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "Enabling Act") was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the "State") and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 325 of the Laws of 1974 of the State (collectively, with the Enabling Act, the "Act") and is empowered under the Act to undertake the Project (as hereinafter defined) in order to so advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, in November, 2017, 363 Ontario St LLC (the "Company"), a limited liability company duly organized and validly existing under the laws of the State of New York, presented an application (the "Application") to the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project to include the following: (A) (1) the acquisition of an interest in an approximately 1.8 acre parcel of land with an address of 363 Ontario Street (tax map no.: 64.76-4-47) in the City of Albany, Albany County, New York (the "Land"), together with the existing improvements containing in the aggregate approximately 140,000 square feet of space located thereon (the "Existing Facility"), (2) the demolition of the Existing Facility, (3) the construction on the Land of three (3) buildings to contain in the aggregate approximately 175,500 square feet of space (collectively, the "Facility") and (4) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property (the "Equipment") (the Land, the Existing Facility, the Facility, and the Equipment being collectively referred to as the "Project Facility"), all of the foregoing to constitute a residential apartment building containing approximately 109 units, with approximately 99 underground and approximately 44 surface parking spaces and first floor retail space to be owned and

operated by the Company, and any other directly and indirectly related activities; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real property transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, by resolution adopted by the members of the Agency on January 18, 2018 (the "Public Hearing Resolution"), the Agency authorized a public hearing to be held pursuant to Section 859-a of the Act with respect to the Project; and

WHEREAS, pursuant to the authorization contained in the Public Hearing Resolution, the Chief Executive Officer of the Agency (A) caused notice of a public hearing of the Agency (the "Public Hearing") pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on January 23, 2018 to the chief executive officers of the county and of each city, town, village and school district in which the Project is or is to be located, (B) caused notice of the Public Hearing to be posted on a public bulletin board on January 23, 2018 at Albany City Hall located at 24 Eagle Street in the City of Albany, Albany County, New York, as well as on the Agency's website, (C) caused notice of the Public Hearing to be published on January 26, 2018 in the Albany Times Union, a newspaper of general circulation available to the residents of the City of Albany, New York, (D) conducted the Public Hearing on February 7, 2018 at 12:00 p.m., local time at offices of the Agency located at 21 Lodge Street, City of Albany, Albany County, New York, and (E) prepared a report of the Public Hearing (the "Hearing Report") fairly summarizing the views presented at such Public Hearing and caused copies of said Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations (the "Regulations") adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, "SEQRA"), by resolution adopted by the members of the Agency on March 1, 2018 (the "SEQR Resolution"), the Agency (A) concurred in the determination that the City of Albany Planning Board (the "Planning Board") is the "lead agency" with respect to SEQRA and (B) acknowledged receipt of a negative declaration from the Planning Board issued on February 8, 2018 (the "Negative Declaration"), in which the Planning Board determined that the Project would not have a significant adverse environmental impact on the environment, and therefore, that an environmental statement need not be prepared with respect to the Project; and

WHEREAS, by further resolution adopted by the members of the Agency on March 1, 2018 (the "Commercial/Retail Finding Resolution"), the Agency (A) determined that the Project constituted a "commercial project" within the meaning of the Act, (B) found that although the Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act because the Project Facility is located in a highly distressed area, (C) determined, following a review of the Hearing Report, that the Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York, and (D) determined that the Agency would proceed with the Project and the granting of the Financial Assistance; provided however, that no financial assistance would be provided to the Project by the Agency unless and until the Mayor of City of Albany, as chief executive officer of City of Albany, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Project; and

WHEREAS, by resolution adopted by the members of the Agency on March 1, 2018 (the "Pilot Deviation Approval Resolution"), the members of the Agency determined to deviate from the Agency's uniform tax exemption policy with respect to the Project; and

WHEREAS, by further resolution adopted by the members of the Agency on March 1, 2018 (the "Approving Resolution"), the Agency determined to grant the Financial Assistance and to enter into a lease agreement dated as of August 1, 2018 (the "Lease Agreement") between the Agency and the Company and certain other documents related thereto and to the Project (collectively with the Lease Agreement, the "Basic Documents"). Pursuant to the terms of the Lease Agreement, (A) the Company will agree (1) to cause the Project to be undertaken and completed, and (2) as agent of the Agency, to undertake and complete the Project and (B) the Agency has leased the Project Facility to the Company. The Lease Agreement grants to the Company certain options to acquire the Project Facility from the Agency; and

WHEREAS, simultaneously with the execution and delivery of the Lease Agreement (the "Closing"), (A) the Company will execute and deliver to the Agency (1) a certain lease to agency dated as of August 1, 2018 (the "Lease to Agency") by and between the Company, as landlord, and the Agency, as tenant, pursuant to which the Company will lease to the Agency a portion of the Land and all improvements now or hereafter located on said portion of the Land (collectively, the "Leased Premises"); (2) a certain license agreement dated as of August 1, 2018 (the "License to Agency") by and between the Company, as licensor, and the Agency, as licensee, pursuant to which the Company will grant to the Agency (a) a license to enter upon the balance of the Land (the "Licensed Premises") for the purpose of undertaking and completing the Project and (b) in the event of an occurrence of an Event of Default by the Company, an additional license to enter upon the Licensed Premises for the purpose of pursuing its remedies under the Lease Agreement; and (3) a certain bill of sale dated as of August 1, 2018 (the "Bill of Sale to Agency"), which conveys to the Agency all right, title and interest of the Company in the Equipment, (B) the Company and the Agency will execute and deliver (1) a certain payment in lieu of tax agreement dated as of August 1, 2018 (the "Payment in Lieu of Tax Agreement") by and between the Agency and the Company, pursuant to which the Company will agree to pay certain payments in lieu of taxes with respect to the Project Facility, (2) a certain recapture agreement (the "Section 875 GML Recapture Agreement") by and between the Company and the Agency, required by the Act, regarding the recovery or recapture of certain sales and use taxes and (3) a certain uniform agency project agreement dated as of August 1, 2018 (the "Uniform Agency Project Agreement") relating to the granting of the Financial Assistance by the Agency to the Company, (C) the Agency will file with the assessor and mail to the chief executive officer of each "affected tax jurisdiction" (within the meaning of such quoted term in Section 854(16) of the Act) a copy of a New York State Board of Real Property Services Form 412-a (the form required to be filed by the Agency in order for the Agency to obtain a real property tax exemption with respect to the Project Facility under Section 412-a of the Real Property Tax Law) (the "Real Property Tax Exemption Form") relating to the Project Facility and the Payment in Lieu of Tax Agreement, (D) the Agency will execute and deliver to the Company a sales tax exemption letter (the "Sales Tax Exemption Letter") to ensure the granting of the sales tax exemption which forms a part of the Financial Assistance, the Agency will file with the New York State Department of Taxation and Finance the form entitled "IDA Appointment of Project Operator or Agent for Sales Tax Purposes" (the form required to be filed pursuant to Section 874(9) of the Act) (the "Thirty-Day Sales Tax Report") and any additional report to the Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the "Additional Thirty-Day Project Report"), (E) the Agency and J. Luke Construction Co., LLC (the "Contractor") will enter into (1) a certain agency indemnification agreement dated as of August 1, 2018 (the "Contractor Agency and Indemnification Agreement") by and between the Agency and the Contractor and (2) a certain recapture agreement dated as of August 1, 2018 (the "Contractor Section 875 GML Recapture Agreement") by and between the Agency and the Contractor, (F) the Agency will execute and deliver to the Contractor a sales tax exemption letter (the "Contractor Sales Tax Exemption Letter") and (G) the Agency will file a Thirty-Day Sales Tax Report (the "Contractor Thirty-Day Sales Tax Report") and any additional report to the

Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the "Additional Thirty-Day Project Report"); and

WHEREAS, by certificate dated April 10, 2018 (the "Public Approval"), the Mayor of the City of Albany confirmed the proposed action to be taken by the Agency with respect to the Project for the purposes of Section 862(2)(c) of the Act; and

WHEREAS, under the present provisions of the Act and Section 412-a of the Real Property Tax Law of the State of New York (the "Real Property Tax Law"), upon the filing by the Agency of the Real Property Tax Exemption Form, the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or control; and

WHEREAS, pursuant to the provisions of Section 6.6 of the Lease Agreement, the Company has agreed to make payments in lieu of taxes with respect to the Project Facility in an amount equivalent to normal taxes, provided that, so long as this Payment in Lieu of Tax Agreement shall be in effect, the Company shall during the term of this Payment in Lieu of Tax Agreement make payments in lieu of taxes in the amounts and in the manner provided in this Payment in Lieu of Tax Agreement, and during such period the provisions of Section 6.6 of the Lease Agreement shall not control the amounts due as payment in lieu of taxes with respect to that portion of the Project Facility which is covered by this Payment in Lieu of Tax Agreement; and

WHEREAS, all things necessary to constitute this Payment in Lieu of Tax Agreement a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution and delivery of this Payment in Lieu of Tax Agreement have in all respects been duly authorized by the Agency and the Company;

ARTICLE II
COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF THE PROJECT FACILITY. (A) Assessment of the Project Facility. Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of the Project Facility by the Agency and the filing by the Agency of a New York State Board of Real Property Services Form RP-412-a (a "Real Property Tax Exemption Form") with respect to the Project Facility, and for so long thereafter as the Agency shall own the Project Facility, the Project Facility shall be assessed by the various taxing entities having jurisdiction over the Project Facility, including, without limitation, any county, city, school district, town, village or other political unit or units wherein the Project Facility is located (such taxing entities being sometimes collectively hereinafter referred to as the "Taxing Entities", and each of such Taxing Entities being sometimes individually hereinafter referred to as a "Taxing Entity") as exempt upon the assessment rolls of the respective Taxing Entities prepared for the first taxable status date subsequent to the acquisition by the Agency of the leasehold interest to the Project Facility created by the Underlying Lease and the filing of the Real Property Tax Exemption Forms. The Company shall, promptly following acquisition by the Agency of the leasehold interest to the Project Facility created by the Underlying Lease, take such action as may be necessary to ensure that the Project Facility shall be assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency, including ensuring that a Real Property Tax Exemption Form shall be filed with the appropriate officer or officers of each respective Taxing Entity responsible for assessing properties on behalf of each such Taxing Entity (each such officer being hereinafter referred to as an "Assessor"). For so long thereafter as the Agency shall own such leasehold interest in the Project Facility, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The parties hereto understand that the Project Facility shall not be entitled to such tax-exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the tax status date of such Taxing Entity occurring subsequent to the date upon which the Agency becomes the owner of record of such leasehold interest in the Project Facility and the Real Property Tax Exemption Forms are filed with the Assessors. Pursuant to the provisions of the Lease Agreement, the Company will be required to pay all taxes and assessments lawfully levied and/or assessed against the Project Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Project Facility shall be entitled to exempt status on the tax rolls of the respective Taxing Entities. The Agency will cooperate with the Company to obtain and preserve the tax-exempt status of the Project Facility.

(B) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement, the Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES. (A) Agreement to Make Payments. The Company agrees that it shall make annual payments in lieu of property taxes in the amounts hereinafter provided to the respective Taxing Entities entitled to receive same pursuant to the provisions hereof. The Company also agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The payments due hereunder shall be paid by the Company to the respective appropriate officer or officers of the respective Taxing Entities charged with receiving payments of taxes for such Taxing Entities (such officers being collectively hereinafter referred to as the "Receivers of Taxes") for distribution by the Receivers of Taxes to the appropriate Taxing Entities entitled to receive same pursuant to the provisions hereof.

(B) Valuation of the Project Facility. (1) The value of the Project Facility for purposes of determining payments in lieu of taxes due hereunder (hereinafter referred to as the "Assessed Value") shall be determined in accordance with the terms of Exhibit B attached hereto and this Section 2.02(B). The Company agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The parties hereto agree that the Assessors shall (a) appraise the Facility and any portion of the Equipment assessable as real property pursuant to the New York Real Property Tax Law (collectively with the Facility, the "Improvements") in the same manner as other similar properties in the general area of the Improvements, and (b) place an Assessed Value upon the Improvements, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial determination of the Assessed Value of the Improvements and of any change in the Assessed Value of the Land or the Improvements.

(2) If the Company is dissatisfied with the amount of the Assessed Value of the Improvements as initially established or with the amount of the Assessed Value of the Land or the Improvements as changed, and if the Company shall have given written notice of such dissatisfaction to the appropriate Assessor and the Agency within thirty (30) days of receipt by the Company of written notice of the initial establishment of such Assessed Value of the Improvements, or of a change in such Assessed Value of the Land or the Improvements, then the Company shall be entitled to protest before, and to be heard by, the appropriate Assessor and the Agency. If the Agency, the Company and any Assessor shall fail to reach agreement as to the proper Assessed Value of the Project Facility for purposes of determining payments in lieu of taxes due under this Payment in Lieu of Tax Agreement, then such Assessor, the Company and the Agency shall each select one arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall be a qualified real estate appraiser, experienced in valuation for the purposes of tax assessment in the general area of the Project Facility, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Assessed Value has been properly established by the Assessor. It is understood that the arbitrators are empowered to confirm the Assessed Value or to determine a higher or a lower Assessed Value. Any payments in lieu of taxes due upon the Project Facility may not be withheld by the Company pending determination of the Assessed Value by the arbitrators.

(C) Amount of Payments in Lieu of Taxes. The payments in lieu of taxes to be paid by the Company to the Receivers of Taxes annually on behalf of each Taxing Entity pursuant to the terms of this Payment in Lieu of Tax Agreement shall be the amount computed separately for each Taxing Entity as set forth in Exhibit B attached.

(D) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Project Facility or any portion thereof or any additional building or other structure shall be constructed on the Land (such structural additions and additional buildings and other structures being hereinafter referred to as "Additional Facilities") the Company agrees to make additional annual payments in lieu of property taxes with respect to such Additional Facilities (such additional payments being hereinafter collectively referred to as "Additional Payments") to the Receivers of Taxes with respect to such Additional Facilities, such Additional Payments to be computed separately for each Taxing Entity as follows:

(1) Determine the amount of general taxes and general assessments (hereinafter referred to as the "Additional Normal Tax") which would be payable to each Taxing Entity with respect to such Additional Facilities if such Additional Facilities were owned by the Company and not the Agency as follows: (a) multiply the Additional Assessed Value (as hereinafter defined) of such Additional Facilities determined pursuant to subsection (E) of this Section 2.02 by (b) the tax rate or rates of such Taxing Entity that would be applicable to such Additional Facilities if such

Additional Facilities were owned by the Company and not the Agency, and (c) reduce the amount so determined by the amounts of any tax exemptions that would be afforded to the Company by such Taxing Entity if such Additional Facilities were owned by the Company and not the Agency.

(2) In each fiscal tax year during the term of this Payment in Lieu of Tax Agreement (commencing in the fiscal tax year when such Additional Facilities would first appear on the assessment roll of any Taxing Entity) if such Additional Facilities were owned by the Company and not the Agency, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax with respect to such Additional Facilities pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to such Additional Facilities for such fiscal tax year (unless the Agency and the Company shall enter into a separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement shall control).

(E) Valuation of Additional Facilities. (1) The value of Additional Facilities for purposes of determining payments in lieu of taxes due under Section 2.02(D) hereof shall be determined by the Assessors of each respective Taxing Entity. The parties hereto agree that the Assessors shall (a) appraise the Additional Facilities in the same manner as other similar properties in the general area of the Project Facility, and (b) place a value for assessment purposes (hereinafter referred to as the "Additional Assessed Value") upon the Additional Facilities, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial establishment of such Additional Assessed Value and of any change in such Additional Assessed Value.

(2) If the Company is dissatisfied with the amount of the Additional Assessed Value of the Additional Facilities as initially established or as changed, and if the Company shall have given written notice of such dissatisfaction to the appropriate Assessor and the Agency within thirty (30) days of receipt by the Company of written notice of the initial establishment of such Additional Assessed Value, or of a change in such Additional Assessed Value, then the Company shall be entitled to protest before, and to be heard by, the appropriate Assessor and the Agency. If the Agency, the Company and any Assessor shall fail to reach agreement as to the proper Additional Assessed Value of the Additional Facilities for purposes of determining payments in lieu of taxes due under this Payment in Lieu of Tax Agreement, then such Assessor, the Company and the Agency shall each select one arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall be a qualified real estate appraiser, experienced in valuation for the purposes of tax assessment in the general area of the Project Facility, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Additional Assessed Value of the Additional Facilities has been properly established by the Assessor. It is understood that the arbitrators are empowered to confirm the Additional Assessed Value or to determine a higher or lower Additional Assessed Value. Any payments in lieu of taxes due upon such Additional Facilities pursuant to Section 2.02(D) hereof may not be withheld by the Company pending determination of the Additional Assessed Value by the arbitrators.

(F) Statements. Pursuant to Section 858(15) of the Act, the Agency agrees to give each Taxing Entity a copy of this Payment in Lieu of Tax Agreement within fifteen (15) days of the execution and delivery hereof, together with a request that a copy hereof be given to the appropriate officer or officers of the respective Taxing Entities responsible for preparing the tax rolls for said Tax Entities (each, a "Tax Billing Officer") and a request that said Tax Billing Officers submit to the Company and to the appropriate Receiver of Taxes periodic statements specifying the amount and due date or dates of the payments due

each Taxing Entity hereunder, such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed by such Taxing Entities.

(G) Time of Payments. The Company agrees to pay the amounts due hereunder to the Receivers of Taxes for the benefit of each particular Taxing Entity in any fiscal tax year to the appropriate Receiver of Taxes within the period that such Taxing Entity allows payment of taxes levied in such fiscal tax year without penalty. The Company shall be entitled to receive receipts for such payments.

(H) Method of Payment. All payments by the Company hereunder shall be paid to the Receivers of Taxes in lawful money of the United States of America. The Receivers of Taxes shall in turn distribute the amounts so paid to the various Taxing Entities entitled to same.

SECTION 2.03. CREDIT FOR TAXES PAID. (A) Amount of Credit. The parties hereto acknowledge and agree that the obligation of the Company to make the payments provided in Section 2.02 of this Payment in Lieu of Tax Agreement shall be in addition to any and all other taxes and governmental charges of any kind whatsoever which the Company may be required to pay under the Lease Agreement. It is understood and agreed, however, that, should the Company pay in any fiscal tax year to any Taxing Entity any amounts in the nature of general property taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Project Facility or the interest therein of the Company or the occupancy thereof by the Company (but not including, by way of example, (1) sales and use taxes, and (2) special assessments, special ad valorem levies or governmental charges in the nature of utility charges, including but not limited to water, solid waste, sewage treatment or sewer or other rents, rates or charges), then the Company's obligation to make payments in lieu of property taxes attributed to such fiscal tax year to such Taxing Entity hereunder shall be reduced by the amounts which the Company shall have so paid to such Taxing Entity in such fiscal tax year, but there shall be no cumulative or retroactive credit as to any payment in lieu of property taxes due to any other Taxing Entity or as to any payment in lieu of property taxes due to such Taxing Entity in any other fiscal tax year.

(B) Method of Claiming Credits. If the Company desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company shall give the governing body of the affected Taxing Entity and the Agency prior written notice of its intention to claim any credit pursuant to the provision of this Section 2.03, said notice to be given by the Company at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.02(G) hereof. In the event that the governing body of the appropriate Taxing Entity desires to contest the Company's right to claim such credit, then said governing body, the Agency and the Company shall each select an arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall meet the qualifications set forth in Section 2.02(B) hereof, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Company is entitled to claim any credit pursuant to the provisions of this Section 2.03 and, if so, the amount of the credit to which the Company is entitled. It is understood that the arbitrators are empowered to confirm the amount of the credit claimed by the Company or to determine a lower or higher credit. When the Company shall have given notice, as provided herein, that it claims a credit, the amount of any payment in lieu of property taxes due hereunder against which the credit may be claimed may be withheld (to the extent of the credit claimed by the Company, but only to the extent that such credit may be claimed against said payment in lieu of taxes pursuant to the provisions of this Section 2.03) until the decision of the arbitrators is rendered. After the decision of the arbitrators is rendered, the payment in lieu of taxes due with respect to any reduction or disallowance by the arbitrators in the amount of the credit claimed by the Company shall, to the extent withheld as aforesaid, be immediately due and payable and shall be paid by the Company within thirty (30) days of said decision.

SECTION 2.04. LATE PAYMENTS. (A) First Month. Pursuant to Section 874(5) of the Act, if the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due,

the Company shall pay the same, together with a late payment penalty equal to five percent (5%) of the amount due.

(B) Thereafter. If the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

ARTICLE III
LIMITED OBLIGATION

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY. (A) No Recourse. All obligations, covenants, and agreements of the Agency contained in this Payment in Lieu of Tax Agreement shall be deemed to be the obligations, covenants, and agreements of the Agency and not of any member, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Payment in Lieu of Tax Agreement, or otherwise based upon or in respect of this Payment in Lieu of Tax Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Payment in Lieu of Tax Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement, it being expressly understood that this Payment in Lieu of Tax Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Payment in Lieu of Tax Agreement by the Agency.

(B) Limited Obligation. The obligations, covenants and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or City of Albany, New York, and neither the State of New York nor City of Albany, New York shall be liable thereon, and further such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights, as defined in the Lease Agreement).

(C) Further Limitation. Notwithstanding any provision of this Payment in Lieu of Tax Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do so in writing by the Company, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity and an agreement from the Company to defend and hold harmless the Agency satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

SECTION 4.01. EVENTS OF DEFAULT. Any one or more of the following events shall constitute an event of default under this Payment in Lieu of Tax Agreement, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Payment in Lieu of Tax Agreement, any one or more of the following events:

(A) Failure of the Company to pay when due any amount due and payable by the Company pursuant to this Payment in Lieu of Tax Agreement and continuance of said failure for a period of fifteen (15) days after written notice to the Company stating that such payment is due and payable;

(B) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed hereunder (other than as referred to in paragraph (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period and if the Company shall have commenced action to cure the breach of covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for so long as the Company shall require in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of ninety (90) days in the aggregate from the date of default; or

(C) Any warranty, representation or other statement by or on behalf of the Company contained in this Payment in Lieu of Tax Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Payment in Lieu of Tax Agreement and (1) shall be materially adverse to the Agency at the time when the notice referred to below shall have been given to the Company and (2) if curable, shall not have been cured within thirty (30) days after written notice of such incorrectness shall have been given to a responsible officer of the Company, provided that if such incorrectness cannot reasonably be cured within said thirty-day period and the Company shall have commenced action to cure the incorrectness within said thirty-day period and, thereafter, diligently and expeditiously proceeds to cure the same, such thirty-day period shall be extended for so long as the Company shall require, in the exercise of due diligence, to cure such default.

SECTION 4.02. REMEDIES ON DEFAULT. (A) General. Whenever any Event of Default shall have occurred with respect to this Payment in Lieu of Tax Agreement, the Agency (or if such Event of Default concerns a payment required to be made hereunder to any Taxing Entity, then with respect to such Event of Default such Taxing Entity) may take whatever action at law or in equity as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Payment in Lieu of Tax Agreement.

(B) Cross-Default. In addition, an Event of Default hereunder shall constitute an event of default under Article X of the Lease Agreement. Upon the occurrence of an Event of Default hereunder resulting from a failure of the Company to make any payment required hereunder, the Agency shall have, as a remedy therefor under the Lease Agreement, among other remedies, the right to terminate the Lease Agreement and convey the Project Facility to the Company, thus subjecting the Project Facility to immediate full taxation pursuant to Section 520 of the Real Property Tax Law of the State.

(C) Separate Suits. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises.

(D) Venue. The Company irrevocably agrees that any suit, action or other legal proceeding arising out of this Payment in Lieu of Tax Agreement may be brought in the courts of record of the State, consents to the jurisdiction of each such court in any such suit, action or proceeding, and waives any objection which it may have to the laying of the venue of any such suit, action or proceeding in any of such courts.

SECTION 4.03. PAYMENT OF ATTORNEY'S FEES AND EXPENSES. Pursuant to Section 874(6) of the Act, if the Company should default in performing any of its obligations, covenants or agreements under this Payment in Lieu of Tax Agreement and the Agency or any Taxing Entity should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation, covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency or such Taxing Entity, as the case may be, not only the amounts adjudicated due hereunder, together with the late payment penalty and interest due thereon, but also the reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred, whether or not an action is commenced.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE. (A) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency or any Taxing Entity is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Payment in Lieu of Tax Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required. In order to entitle the Agency or any Taxing Entity to exercise any remedy reserved to it in this Payment in Lieu of Tax Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Payment in Lieu of Tax Agreement.

(D) No Waiver. In the event any provision contained in this Payment in Lieu of Tax Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Payment in Lieu of Tax Agreement shall be established by conduct, custom or course of dealing.

ARTICLE V

PILOT PAYMENT TERMS

I. Defined Terms:

“Applicable Fiscal Year” means the fiscal year of the Company ending no later than one hundred and twenty (120) days prior to the January 1 payment date in question. For example, assuming that the Company uses the calendar year for its fiscal year, and the payment date in question is January 1, 2030, the Applicable Fiscal Year for the Company for the January 1, 2030 payment date is the fiscal year of the Company ending December 31, 2028.

“Gross Revenue” means the total amount of income generated at the Project Facility, including tenant rent, unreturned security deposits (to the extent applied to rental payments due and owing and not to damages to a rental unit), lease cancellation/termination payments (net of damage), parking fees, any payments in kind, and other miscellaneous revenue generated at the site (e.g., vending machines, washing machines and other landlord services paid by the tenant); provided, however, that Gross Revenue shall not include any Pass Through Revenue.

“Person” means an individual, partnership, corporation, trust, or unincorporated organization.

“Pass Through Revenue” means revenue generated at the Project Facility relating to parking fees for tenant parking at a parking facility or parking lot not included in or on the Land. Revenue for such activities shall be considered Pass Through Revenue only if (1) the Company serves as a pass-through for such revenues between the tenant and the actual vendor, (2) the payee or recipient of the fees is not a Related Person to the Company, and (3) there is no “mark-up” or “profit” accruing to the Company relating to such fees (except as hereinafter provided). In connection with the determination of Pass Through Revenue, Gross Revenue will be subject to further adjustment as described as follows: if there is any “mark-up” or “profit” accruing to the Company, the amount of such “mark-up” or “profit” shall be included in the determination of Gross Revenue.

“Related Person” means, with respect to the Company, (1) a group of entities subject to “direct control” or “indirect control” by the same entity or group of entities, determined on the basis of all relevant facts and circumstances, (2) any organization under common management or control with the Company, (3) a Person which is a related person as defined in Section 144(a)(3) of the Internal Revenue Code of 1986, as amended (the “Code”), by reference to Sections 267, 707(b) and 1563(a) of the Code, except that (a) one percent (1%) is substituted for fifty percent (50%) for purposes of applying Sections 267 and 707(b), and (b) one percent (1%) is substituted for eighty percent (80%) for purposes of applying Section 1563(a).

II. Assessed Value:

(A) The Assessed Value of the Project Facility shall consist of two components, the base Assessed Value (the “Project Base Assessed Value”) and the additional Assessed Value (the “Project Improvements Assessed Value”).

(B) The Project Base Assessed Value shall equal the value of the Land and Existing Facility prior to the undertaking of the Project. The Project Base Assessed Value shall be established pursuant to the terms of Section 2.02(B) of this Payment in Lieu of Tax Agreement.

(C) The Project Improvements Assessed Value shall equal the value of the Facility improved pursuant to the undertaking and completion of the Project (the "Improvements"). The Project Improvements Assessed Value shall be established pursuant to the terms of Section 2.02(B) of this Payment in Lieu of Tax Agreement.

(D) The parties hereto understand and agree that the Project Based Assessed Value and the Project Improvements Assessed Value shall change during the term of this Payment in Lieu of Tax Agreement as the Assessors appraise and re-appraise, as the case may be, the Project Facility during the term of this Payment in Lieu of Tax Agreement, as provided in Section 2.02(B) of this Payment in Lieu of Tax Agreement.

III. Amount of Payments in Lieu of Taxes:

(A) The amount of payments in lieu of taxes shall be the sum of the following: (1) the amount of payments in lieu of taxes payable with respect to the Land and Existing Facility based on the Project Base Assessed Value, and (2) the amount of payments in lieu of taxes payable with respect to the Improvements based on the Project Improvements Assessed Value.

(1) Payments - Project Base Assessed Value. (a) First, determine the amount of general taxes and general assessments (hereinafter referred to as the "Normal Tax") which would be payable to each Taxing Entity if the Land and the Existing Facility were owned by the Company and not the Agency by multiplying (i) the Project Base Assessed Value (as set forth in II(B) above) by (ii) the tax rate or rates of such Taxing Entity that would be applicable to the Land and the Existing Facility if the Land and the Existing Facility were owned by the Company and not the Agency.

(b) Then, in each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Land and the Facility shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Land and the Existing Facility shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to the Land and the Existing Facility for such tax year.

(2) Payments - Project Improvements Assessed Value. (a) First, determine the Normal Tax which would be payable to each Taxing Entity if the Improvements were owned by the Company and not the Agency by multiplying (i) the Project Improvements Assessed Value determined pursuant to Section 2.02(B) of this Payment in Lieu of Tax Agreement, by (ii) the tax rate or rates of such Taxing Entity that would be applicable to the Improvements if the Improvements were owned by the Company and not the Agency.

(b) Then, in each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Improvements shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Improvements shall be the product of: (i) the amount set forth in Section III(A)(2)(a) above and (ii) the applicable percentage of the Normal Tax due each Taxing Entity with respect to the Improvements for such tax year, as shown in the following table:

<u>Tax Year Commencing in Calendar Year</u>	<u>County/ City Percentage of Normal Tax on Assessed Value of the Improvements</u>	<u>School Percentage of Normal Tax on Assessed Value of the Improvements</u>

2039	80%	80%
2040	80%	100%
2041 and thereafter during the term of this Payment in Lieu of Tax Agreement	100%	100%

(c) The parties acknowledge that the tax years shown in the table above do not reflect assessment roll years. For example, the 2018 assessment roll will be used to generate the 2018-19 School payment in lieu of tax bill and the 2019 City/County payment in lieu of tax bill.

(B) Except as otherwise provided in Section IV below, in each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which any portion of the Project Facility shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Project Facility shall be the sum of (1) the amount due each Taxing Entity with respect to the Land and the Existing Facility for such tax year, as determined pursuant to subsection (A)(1) hereof, **plus** (2) the amount due each Taxing Entity with respect to the Improvements for such tax year, as determined pursuant to subsection (A)(2) hereof.

IV. Alternative Determination of Amount of Payments in Lieu of Taxes:

(A) Beginning on January 1, 2033, the Company will pay payments in lieu of taxes in an amount equal to the greater of (1) the amount determined pursuant to Section III above, or (2) 11.5% of the Gross Revenue for the Applicable Fiscal Year of the Project Facility.

(B) On each September 1, beginning on September 1, 2032, the Company will provide the Treasurer of the City of Albany with a complete and executed copy of the Company Affidavit, a form of which is attached as Exhibit C.

(C) The Company agrees to provide to the Treasurer of the City of Albany and the CEO of the Agency, within thirty (30) days of their written request, with a copy of the Company's unaudited financial statement verified by the Company or such other person as may be authorized by the Company to verify said statement supporting the Company's calculation of the Gross Revenue. In the event that the Company's unaudited financial statement is not prepared in accordance with GAAP, the Company agrees to provide such additional information regarding the Company's calculation of Gross Revenue as reasonably requested by the Agency.
