NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Based upon an examination of the Project Qualification Documents and based further upon the Agency’s knowledge of the area surrounding the Project and such further investigation of the Project and its economic effects as the Agency has deemed appropriate, the Agency makes the following findings and determinations with respect to the Project:

- Encourage investment in urban land and buildings for employment and housing.
- Provide a variety of housing types to meet the varied needs of Albany’s households, include market, moderate and low-income housing.
- Encourage diverse intergenerational housing. Diverse housing includes options for residents throughout different stages of life (e.g. students, couples, families with children, seniors) in the same neighborhood.

C. That undertaking the Project is consistent with the 2030 Plan and will assist and maintain current and future residential and commercial development and expansion in the neighborhood area.

B. That (1) the Project Facility will provide necessary infrastructure for area employers and businesses, (2) the completion of the Project Facility will have an impact upon the creation, retention and expansion of employment opportunities in the City of Albany and in the State of New York, and (3) the completion of the Project will assist in promoting employment opportunities and assist in preventing economic deterioration in the City of Albany and in the State of New York.

C. That the acquisition, reconstruction, renovation and installation of the Project Facility is essential to the retention of existing employment and the creation of new employment opportunities and is essential to the prevention of economic deterioration of businesses and neighborhoods located in the City of Albany.

D. That the Project constitutes a “commercial” project, within the meaning of the Act.

E. That the undertaking of the Project will serve the public purposes of the Act by preserving and creating permanent private sector jobs in the State of New York.

RE: Proposed Deviation from Uniform Tax Exemption Policy by
City of Albany Industrial Development Agency
in connection with its Proposed Home Leasing, LLC Project

Dear Ladies/Gentlemen:

This letter is delivered to you pursuant to Section 874(4)(c) of the General Municipal Law.

In October, 2017, City of Albany Industrial Development Agency (the "Agency") received an application (the "Application") from Clinton Avenue Apartments Housing Development Fund Corporation (the "Applicant") has submitted an application on behalf of Home Leasing, LLC, a New York limited liability company (the "Company"), submitted an application (the "Application") to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in approximately 72 parcels of land generally located on Clinton Avenue and Ten Broeck Street in the City of Albany, Albany County, New York (collectively, the "Land") together with approximately 70 row-houses containing approximately 210,000 square feet in the aggregate located thereon (collectively, the "Facility"), (2) the renovation and revitalization of the Facility and (3) the acquisition and installation therein and thereon of certain machinery, equipment and other personal property (collectively, the "Equipment") (the Land, the Facility and the Equipment being collectively referred to as the "Project Facility"), all of the foregoing to constitute an affordable and supportive housing project facility to be owned and operated by the Company, as nominee for Clinton Avenue Apartments LP, and any other directly and indirectly related activities; (B) the granting of certain other "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to

purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

In connection with the Application, the Company has made a request to the Agency (the “Pilot Request”) that the Agency enter into a payment in lieu of tax agreement (the “Proposed Pilot Agreement”) which terms would deviate from the Agency’s Uniform Tax Exemption Policy (the “Policy”). The Proposed Agreement would not provide any abatements for any special assessments levied on the Project Facility. The Proposed Pilot Agreement would provide that the Company be granted a thirty (30) year payment in lieu of tax agreement on the Facility and any portion of the Equipment assessable as real property pursuant to the New York Real Property Tax Law (collectively, with the Facility, the “Improvements”) with the Proposed PILOT Agreement providing for payments in lieu of taxes equal to 5% of “shelter rents” (aggregate collected annual tenant paid rents less owner paid utilities).

Pursuant to Section 856(15) of the General Municipal Law, unless otherwise agreed by the affected tax jurisdictions, payments in lieu of taxes will be allocated among the affected tax jurisdictions in proportion to the amount of real property tax and other taxes which would have been received by each affected tax jurisdiction had the Project Facility not been tax exempt due to the status of the Agency.

The terms of the Proposed Pilot Agreement deviate from the Agency’s Policy. The Policy provides that, for a facility similar to the Project Facility, payments in lieu of taxes would normally be 10% of “shelter rents” (aggregate collected annual tenant paid rents less owner paid utilities).

The purpose of this letter is to inform you of such Pilot Request and that the Agency is considering whether to grant the Pilot Request and to approve a Proposed Pilot Agreement conforming to the terms of the Pilot Request. The Agency expects to consider whether to approve the terms of the Proposed Pilot Agreement at its meeting scheduled for December 21, 2017 at 12:15 p.m., local time at the offices of the Agency located at 21 Lodge Street in the City of Albany, Albany County, New York (the “Meeting”). As described later in this letter, during the meeting on December 21, 2017, the Agency will review the terms of the Pilot Request and, based on the discussions during such meeting the terms of the Pilot Request may be modified.

This letter is forwarded to you for purposes of complying with Section 874 of the General Municipal Law of the State of New York, which requires written notice prior to the Agency taking final action with respect to the Proposed Pilot Agreement (if said Proposed Pilot Agreement may deviate from the provisions of the Agency’s Policy).

The Agency considered the following factors in considering the proposed deviation:

- 1. The nature of the Project:** The Project involves the reconstruction and renovation of approximately 70 row-houses containing approximately 210,000 square feet in the aggregate located on Clinton Avenue and Ten Broeck Street in the City of Albany, Albany County, New York.
- 2. The present use of the property:** The present use of the property consists of affordable housing, and approximately half of the units are currently vacant.

3. The economic condition of the area at the time of the request of the Company and the economic multiplying effect that the Project will have on the area: At the time of filing of the Application, the economic condition of the area in which the Project Facility is located is generally below average or average.

4. The extent to which the Project will create or retain permanent, private sector jobs and the number of jobs to be created or retained and the salary range of such jobs: The Company has represented in the Application that the Project will create approximately sixty-five construction jobs with estimated project costs of approximately \$47,838,223.

The Project will retain approximately two (2) permanent private sector jobs and create approximately five (5) permanent private sector jobs.

5. The estimated value of new tax exemptions to be provided: The estimated value of the tax exemptions for real property taxes, mortgage recording taxes and sales tax have been calculated by the Company and are described in the Application and the accompanying memoranda and schedules. Please advise if you would like us to provide you with copies.

6. The economic impact of the Proposed Pilot Agreement on affected tax jurisdictions: The Proposed PILOT Agreement is expected to provide a net benefit to the affected tax jurisdictions in the form of increased municipal revenues under the Proposed PILOT Agreement when compared to the current payments being paid relating to the Project site.

7. The impact of the Proposed Pilot Agreement on existing and proposed businesses and economic development projects in the vicinity: The impact of the Project is a positive one on the community, as it retains jobs and economic activity in the community and the related housing component to the Project addresses housing needs in the neighborhood and the City of Albany.

8. The amount of private sector investment generated or likely to be generated by the Proposed Pilot Agreement: The investment by the Company will be approximately \$47,838,223.

9. The effect of the Project on the environment:

It is likely that the Project will not have a significant effect on the environment.

10. Project Timing:

It is anticipated that the Project will be accomplished in a timely fashion.

11. The extent to which the Project will require the provision of additional services including, but not limited to, additional educational, transportation, police, emergency medical or fire services: It is not anticipated that the Project will have a tremendous burden upon the educational facilities for any school district within the City of Albany, Albany County. After the completion of the Project, the residents of the Facility are not anticipated to generate a substantial burden on the highways of the City or the surrounding area. All necessary emergency medical and police services are available.

12. Anticipated tax revenues: It is expected that sales tax collections will increase due to retained employment and increased residential units at the reconstructed and renovated Facility.

13. The extent to which the Proposed Pilot Agreement will provide a benefit (economic or otherwise) not otherwise available within the municipality in which the Project Facility is located: The benefit is a positive one economically, in that the Proposed PILOT Agreement will assist with reconstruction and renovation of the Facility, which will potentially offer affordable housing options to residents of the City of Albany.

The Agency will consider the Proposed Pilot Agreement (and the proposed deviation from the Agency's Policy) at the Meeting. The discussion at the Meeting will include a review of (a) the terms of the Pilot Request, (b) other projects where the Agency has approved a deviation from its Policy, and (c) the information contained in this letter and other materials provided by the Company supporting the Pilot Request. Based on the discussion at the Meeting, and the review of any comments received by the Agency with respect to the Pilot Request, the Agency may determine to modify the terms of the Pilot Request.

The Agency would welcome any written comments that you might have on this proposed deviation from the Agency's Policy. In accordance with Section 874 of the General Municipal Law, prior to taking final action at the Meeting, the Agency will review and respond to any written comments received from any affected tax jurisdiction with respect to the proposed deviation. The Agency will also allow any representative of any affected tax jurisdiction present at the Meeting to address the Agency regarding the proposed deviation.

If you have any questions or comments regarding the foregoing, please do not hesitate to contact me at the above telephone number.

Sincerely yours,

/s/ Sarah Reginelli
Chief Executive Officer
