WHEREAS, having complied with the requirements of SEQRA and Section 859-a of the Act with respect to the Project, the Agency now desires, pursuant to Section 862(2)(c) of the Act, to make its final findings with respect to the Project and its final determination whether to proceed with the Project;

C. That the acquisition, demolition, construction and installation of the Project Facility is essential to the retention of existing employment and the creation of new employment opportunities and is essential to the prevention of economic deterioration of businesses and neighborhoods located in the City of Albany.

D. That the Project constitutes a "commercial" project, within the meaning of the Act.

E. That the undertaking of the Project will serve the public purposes of the Act by preserving and creating permanent private sector jobs in the State of New York.

Section 3. Having reviewed the Public Hearing Report, and having considered fully all comments contained therein, and based upon the findings contained in Section 1 above, the Agency hereby determines to proceed with the Project and the granting of the financial assistance described in the notice of the Public Hearing; provided, however, that no financial assistance shall be provided to the Project by

the Agency unless and until the Mayor of the City of Albany, New York, as chief executive officer of the City of Albany, New York, shall, pursuant to Section 862(2)(c) of the Act, confirm the proposed action of the Agency with respect to the Project.
