UNIFORM AGENCY PROJECT AGREEMENT

THIS UNIFORM AGENCY PROJECT AGREEMENT dated as of September 1, 2019 (the "Uniform Agency Project Agreement") by and between CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY, a public benefit corporation organized and existing under the laws of the State of New York (the "State") having an office for the transaction of business located at 21 Lodge Street, Albany, New York 12207 (the "Agency") and 76 NORTH PEARL LLC, a limited liability company duly organized and validly existing under the laws of the State of New York having an office for the transaction of business located at 204 Lafayette Street, Schenectady, New York 12305 (the "Company");

WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "Enabling Act") was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the "State") and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 325 of the Laws of 1974 of the State (collectively, with the Enabling Act, the "Act") and is empowered under the Act to undertake the Project (as hereinafter defined) in order to so advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, in January, 2019, 76 North Pearl LLC ("the Company"), a limited liability company duly organized and validly existing under the laws of the State of New York, presented an application (the "Application") to the Agency, which Application requested that the Agency consider undertaking a project (the "Original Project") for the benefit of the Company, said Original Project to include the following: (A) (1) the acquisition of an interest in an approximately 0.73 acre parcel of land with an address of 76 North Pearl Street (tax map numbers 76.34-2-16 and 76.34-2-17) in the City of Albany, Albany County, New York (the "Land"), together with an approximately 192,000 square foot building located thereon (the "Facility"), (2) the renovation of the Facility and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property (the "Equipment") (the Land, the Facility, and the Equipment being collectively referred to as the "Original Project Facility"), all of the foregoing to constitute an approximately 123 unit residential apartment building with ground-level commercial/retail space and any other directly and indirectly related activities;

(B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes and mortgage recording taxes (collectively, the "Original Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, pursuant to the authorization contained in a resolution adopted by the members of the Agency on April 18, 2019 (the "Public Hearing Resolution"), the Chief Executive Officer of the Agency (A) caused notice of a public hearing of the Agency (the "Initial Public Hearing") pursuant to Section 859-a of the Act, to hear all persons interested in the Original Project and the financial assistance being contemplated by the Agency with respect to the Original Project, to be mailed on April 24, 2019 to the chief executive officers of the county and of each city, town, village and school district in which the Original Project is or is to be located, (B) caused notice of the Initial Public Hearing to be posted on April 25, 2019 on a public bulletin board located at Albany City Hall located at 24 Eagle Street in the City of Albany, Albany County, New York as well as on the Agency's website, (C) caused notice of the Initial Public Hearing to be published on April 27, 2019 in the Albany Times Union, a newspaper of general circulation available to the residents of the City of Albany, Albany County, New York, (D) conducted the Initial Public Hearing on May 8, 2019 at 12:00 o'clock p.m., local time at offices of the Agency located at 21 Lodge Street in the City of Albany, Albany County, New York, and (E) prepared a report of the Initial Public Hearing (the "Initial Hearing Report") fairly summarizing the views presented at such Initial Public Hearing and caused copies of said Initial Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations (the "Regulations") adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, "SEQRA"), by resolution adopted by the members of the Agency on May 16, 2019 (the "SEQR Resolution"), the Agency (A) concurred in the determination that the City of Albany Planning Board (the "Planning Board") is the "lead agency" with respect to SEQRA and (B) acknowledged receipt of a negative declaration from the Planning Board issued on November 15, 2018 (the "Negative Declaration"), in which the Planning Board determined that the Original Project would not have a significant adverse environmental impact on the environment, and therefore, that an environmental statement need not be prepared with respect to the Original Project; and

WHEREAS, by further resolution adopted by the members of the Agency on May 16, 2019 (the "Commercial/Retail Finding Resolution"), the Agency (A) determined that the Original Project constituted a "commercial project" within the meaning of the Act, (B) found that although the Original Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Original Project, the Agency is authorized to provide financial assistance in respect of the Original Project pursuant to Section 862(2)(a) of the Act because the Original Project Facility is located in a highly distressed area, (C) determined, following a review of the Initial Hearing Report, that the Original Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York, and (D) determined that the Agency would proceed with the Original Project and the granting of the Original Financial Assistance; provided however, that no financial assistance would be provided to the Original Project by the Agency unless and until the Mayor of City of Albany, as chief executive officer of City of Albany, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Original Project; and

WHEREAS, by certificate dated June 4, 2019 (the "Public Approval"), the Mayor, as chief executive officer of the City of Albany, New York, approved the proposed action to be taken by the Agency with respect to the Original Project for purposes of Section 862(2)(c) of the Act; and

WHEREAS, by further resolution adopted by the members of the Agency on May 16, 2019 (the "Approving Resolution"), the Agency determined to grant the Financial Assistance and to enter into a lease agreement dated as of September 1, 2019 (the "Lease Agreement") between the Agency and the Company and certain other documents related thereto and to the Project (collectively with the Lease Agreement, the "Basic Documents"). Pursuant to the terms of the Lease Agreement, (A) the Company will agree (1) to cause the Original Project to be undertaken and completed, and (2) as agent of the Agency, to undertake and complete the Original Project and (B) the Agency has leased the Original Project Facility to the Company. The Lease Agreement grants to the Company certain options to acquire the Original Project Facility from the Agency; and

WHEREAS, on August 30, 2019, the Agency received an amended application (the "Amended Application") with respect to the Original Project from the Company, which Amended Application requested the Agency to (A) divide the Original Project between the Company and 1 Steuben Place LLC, a State of New York limited liability company ("Steuben"), so that the Company would undertake the renovation of the building located at 76 North Pearl Street (tax map number 76.34-2-16) in the City of Albany, Albany County, New York (the "Project") and Steuben would undertake the renovation of the building located at 1 Steuben Place (tax map number 76.34-2-17) in the City of Albany, Albany County, New York (the "Steuben Project") and (B) increase the amount of Original Financial Assistance being granted by the Agency to the Company (the "Financial Assistance") and Steuben (the "Steuben Financial Assistance"); and

WHEREAS, as the amount of the increase in the Revised Financial Assistance will be in excess of \$100,000, the Agency, pursuant to Section 859-a of the Act, must hold a public hearing with respect to the Revised Financial Assistance; and

WHEREAS, pursuant to the Amended Application, the Chief Executive Officer of the Agency (A) caused notice of a public hearing of the Agency (the "Public Hearing") pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on September 5, 2019 to the chief executive officers of the county and of each city, town, village and school district in which the Project is or is to be located, (B) caused notice of the Public Hearing to be posted on September 5, 2019 on a public bulletin board located at Albany City Hall located at 24 Eagle Street in the City of Albany, Albany County, New York as well as on the Agency's website, (C) caused notice of the Public Hearing to be published on September 9, 2019 in the Albany Times Union, a newspaper of general circulation available to the residents of the City of Albany, Albany County, New York, (D) conducted the Public Hearing on September 19, 2019 at 12:00 o'clock p.m., local time at offices of the Agency located at 21 Lodge Street in the City of Albany, Albany County, New York, and (E) prepared a report of the Public Hearing (the "Hearing Report") fairly summarizing the views presented at such Public Hearing and caused copies of said Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to the Amended Application, by resolution adopted by the members of the Agency on September 19, 2019 (the "Amended Approving Resolution"), the Agency (A) ratified the actions of the Chief Executive Officer with respect to the Public Hearing, (B) pursuant to SEQRA, agreed that the Project is substantially similar to the Original Project and (C) amended the Approving Resolution; and

WHEREAS, simultaneously with the execution and delivery of the Lease Agreement (the "Closing"), (A) the Company will execute and deliver to the Agency (1) a certain lease to agency dated as of September 1, 2019 (the "Lease to Agency") by and between the Company, as landlord, and the Agency, as tenant, pursuant to which the Company will lease to the Agency a portion of the Land and all improvements now or hereafter located on said portion of the Land (collectively, the "Leased Premises") and (2) a certain bill of sale dated as of September 1, 2019 (the "Bill of Sale to Agency"), which conveys to the Agency all right, title and interest of the Company in the Equipment, (B) the Company and the Agency will execute and deliver (1) a certain recapture agreement (the "Section 875 GML Recapture Agreement") by and between the Company and the Agency, required by the Act, regarding the recovery or recapture of certain sales and use taxes and (2) a certain uniform agency project agreement dated as of September 1, 2019 (the "Uniform Agency Project Agreement") relating to the granting of the Financial Assistance by the Agency to the Company, (C) the Agency will execute and deliver to the Company a sales tax exemption letter (the "Sales Tax Exemption Letter") to ensure the granting of the sales tax exemption which forms a part of the Financial Assistance and (D) the Agency will file with the New York State Department of Taxation and Finance the form entitled "IDA Appointment of Project Operator or Agent for Sales Tax Purposes" (the form required to be filed pursuant to Section 874(9) of the Act) (the "Thirty-Day Sales Tax Report"); and

WHEREAS, (A) the Agency has established certain policies allowing denial of Financial Assistance to any project which does not deliver the public benefits promised at the time said project was approved by the Agency (the "Public Benefits"), (B) the Agency is unwilling to grant Financial Assistance to a project unless the beneficiary of such project agrees that the amount of Financial Assistance to be received by such beneficiary with respect to such project shall be contingent upon, and shall bear a direct relationship to, the success or lack of success of such project in delivering the promised Public Benefits, and (C) the Agency has created this Uniform Agency Project Agreement in order to establish the conditions under which the Agency will be entitled to recapture some or all of the Financial Assistance that has been granted to the Company under the Basic Documents if the Project is unsuccessful in whole or in part in delivering the promised Public Benefits; and

WHEREAS, the Company desires to receive certain Financial Assistance from the Agency with respect to the Project, and accordingly is willing to enter into this Uniform Agency Project Agreement in order to secure such Financial Assistance from the Agency: and

WHEREAS, all things necessary to constitute this Uniform Agency Project Agreement a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution and delivery of this Uniform Agency Project Agreement have in all respects been duly authorized by the Agency and the Company;

EVENTS OF DEFAULT AND REMEDIES

SECTION 4.01. EVENTS OF DEFAULT DEFINED. (A) The following shall be "Events of Default" under this Uniform Agency Project Agreement, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Uniform Agency Project Agreement, any one or more of the following events:

- (1) A default in the performance or observance of any of the covenants, conditions or agreements on the part of the Company in this Uniform Agency Project Agreement and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, provided that, if such default is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the same with due diligence.
 - (2) The occurrence of an "Event of Default" under any other Basic Document.
- (3) Any representation or warranty made by the Company herein or in any other Basic Document proves to have been false at the time it was made.

SECTION 4.02. REMEDIES ON DEFAULT. (A) Whenever any Event of Default hereunder shall have occurred, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- (1) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 of the Lease Agreement, and (b) all other payments due under this Uniform Agency Project Agreement or any of the other Basic Documents; or
- (2) terminate the Lease Agreement and convey to the Company all the Agency's right, title and interest in and to the Project Facility (the conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the delivery by the Agency of the Termination of Lease to Agency and the Bill of Sale to Company. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such transfer of title); or
- (3) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements, or covenants of the Company under this Uniform Agency Project Agreement.
- (B) No action taken pursuant to this Section 4.02 (including repossession of the Project Facility) shall relieve the Company from its obligations to make any payments required by this Uniform Agency Project Agreement and the other Basic Documents.

SECTION 4.03. RECAPTURE OF FINANCIAL ASSISTANCE. (A) General. Upon the occurrence of a Recapture Event that occurs during the Recapture Period, the Agency may require the Company to provide for the recapture of the project financial assistance provided as of the date of determination (the "Project Financial Assistance"), all in accordance with the terms of this Section 4.03. The Company

hereby agrees, if requested by the Agency, to pay within thirty (30) days to the Agency the recapture of the Project Financial Assistance, as provided in this Section 4.03.

- (B) <u>Project Financial Assistance to be Recaptured</u>. The Project Financial Assistance to be recaptured, as adjusted by the provisions of Section 4.03(C) below, by the Agency from the Company upon the occurrence of a Recapture Event during a Recapture Period shall be an amount equal to a percentage (as provided in subsection (C) below) multiplied by the sum of the following:
 - (1) the portion of the amount of New York State sales and use taxes allocable to Albany County that the Company would have paid as of the date of determination in connection with the undertaking of the Project if the Project Facility was privately owned by the Company and not deemed owned or under the jurisdiction and control of the Agency; and
 - (2) the amount of any mortgage recording tax exemption provided by the Agency to the Company in connection with the undertaking of the Project (i.e., excluding the transit authority portion of the mortgage recording tax which the Agency has not provided an exemption).
- (C) <u>Amount of Project Financial Assistance to be Recaptured</u>. Upon the occurrence of a Recapture Event, the Company shall pay to the Agency the following amounts as recapture:

Year	Amount of Recapture
2019	100% of the Project Financial Assistance
2020	100% of the Project Financial Assistance
2021	100% of the Project Financial Assistance
2022	75% of the Project Financial Assistance
2023	50% of the Project Financial Assistance
2024	25% of the Project Financial Assistance

- (D) Redistribution of Project Financial Assistance to be Recaptured. Upon the receipt by the Agency of any amount of Project Financial Assistance pursuant to this Section 4.03, the Agency shall redistribute such amount within thirty (30) days of such receipt to the Taxing Entity that would have received such amount but for the granting by the Agency of the Project Financial Assistance.
- (E) <u>Survival of Obligations</u>. The Company acknowledges that the obligations of the Company in this Section 4.03 shall survive the conveyance of the Project Facility to the Company and the termination of the Lease Agreement.
- (F) Agency Review of Recapture Determination. The Agency's determination to recapture all or a portion of the Project Financial Assistance shall be made by the Agency after an evaluation of the criteria for recapture set forth in the Agency's "Recapture Benefits Policy" as in effect as of the Closing Date (a copy of which policy is attached hereto as Schedule B). If the Agency determines that a Recapture Event has occurred, it shall give notice of such determination to the Company. The Company shall have thirty (30) days from the date the notice is deemed given to submit a written response to the Agency's determination and to request a written and/or oral presentation to the Agency why the proposed recapture amount should not be paid to the Agency. The Company may make its presentation at a meeting of the Agency. The Agency shall then vote on a resolution recommending (i) a termination of Financial Assistance, (ii) a recapture of Financial Assistance, (iii) both a termination and a recapture of Finance Assistance, (iv) a modification of Financial Assistance or (iv) no action.

- SECTION 4.04. LATE PAYMENTS. (A) One Month. If the Company shall fail to make any payment required by this Uniform Agency Project Agreement within thirty days of the date that written notice of such payment is sent from the Agency to the Company at the address provided in Section 5.05 of this Uniform Agency Project Agreement, the Company shall pay the amount specified in such notice together with a late payment penalty equal to five percent (5%) of the amount due.
- (B) Thereafter. If the Company shall fail to make any payment required by this Uniform Agency Project Agreement when due and such delinquency shall continue beyond the thirty days after such notice, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the Agency until such payment in default shall have been made in full, and the Company shall pay the same to the Agency together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.
- SECTION 4.05. PAYMENT OF ATTORNEY'S FEES AND EXPENSES. If the Company should default in performing any of its obligations, covenants or agreements under this Uniform Agency Project Agreement and the Agency should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation, covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency within thirty (30) days not only the amounts adjudicated due hereunder, together with the late payment penalty and interest due thereon, but also the reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred, whether or not an action is commenced.
- SECTION 4.06. REMEDIES; WAIVER AND NOTICE. (A) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Uniform Agency Project Agreement or now or hereafter existing at law or in equity or by statute.
- (B) <u>Delay</u>. No delay or omission in exercising any right or power accruing upon the occurrence of a Recapture Event or an Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.
- (C) <u>Notice Not Required</u>. In order to entitle the Agency to exercise any remedy reserved to it in this Uniform Agency Project Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Uniform Agency Project Agreement.
- (D) <u>No Waiver</u>. In the event any provision contained in this Uniform Agency Project Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release, or modification of this Uniform Agency Project Agreement shall be established by conduct, custom, or course of dealing.

RECAPTURE BENEFITS POLICY

PART 25

POLICY RESPECTING RECAPTURE OF PROJECT BENEFITS

SECTION 2501. PURPOSE AND JUSTIFICATION. (A) The purpose of this Policy is to outline the procedures utilized by City of Albany Industrial Development Agency (the "Agency") to review compliance with (1) the requirements of the Agency relating to job creation and/or retention, other expected public benefits and reporting and (2) the requirements of the State of New York (the "State") relating to sales tax exemptions and reporting.

- (B) The Agency was created pursuant to Section 903-a of Title 2 of Article 18-A of the General Municipal Law and Title 1 of Article 18-A the General Municipal Law (collectively, the "Act") for the purpose of promoting employment opportunities for, and the general prosperity and economic welfare of, residents of the City of Albany and the State. Under the Act, the Agency was created in order to advance the job opportunities, health, general prosperity, and economic welfare of the residents of the City of Albany, New York (the "City") and of the State.
- (C) The Agency has been advised that a number of other industrial development agencies have adopted policies that (1) contain provisions allowing the industrial development agency to recapture certain financial benefits provided by said agency to a project applicant if said project applicant does not fulfill certain job creation promises contained in its application or fails to fulfill certain other promises made to said agency and (2) allow said agency to take into account exigent circumstances in deciding whether to exercise these provisions respecting the recapture of said financial benefits.
- (D) Chapter 59 of the Laws of 2013 (Part J), effective March 28, 2013 (the "2013 Budget Law"), enacted March 28, 2013, established new recordkeeping, reporting, and recapture requirements for industrial development agency projects that receive sales tax exemptions.
- (E) The new sales tax recording and reporting requirements required by the 2013 Budget Law include the following: (1) a requirement to keep records of the amount of sales tax benefits provided to each project and make those records available to the State upon request; (2) a requirement to report to the State, within 30 days after providing financial assistance, the amount of sales tax benefits intended to be provided to a project; and (3) a requirement that the Agency post on the internet and make available without charge copies of its resolutions and agreements appointing an agent or project operator or otherwise related to any project it establishes. A project operator ("Project Operator") is appointed by the Agency through the filing of form ST-60 with the New York State Department of Taxation and Finance.
- (F) The 2013 Budget Law requires that the Agency recapture State sales tax benefits where: (1) the project is not entitled to receive those benefits; (2) the exemptions exceed the amount authorized or are claimed for unauthorized property or services; or (3) the Project Operator failed to use property or services in the manner required by its agreements with the Agency.
- (G) For purposes of this Policy, with respect to a particular calendar year and a particular project, the term "financial assistance" shall include the following:

- (1) Proceeds of debt obligations issued by the Agency with respect to said project have been disbursed during the calendar year in question.
- (2) Any tax exemption or abatement (a) which may have directly or indirectly benefitted the project or Project Operator shall during such calendar year and (b) which resulted from (i) the Agency's title to, possession of or, control of or other interest in said project, or (ii) the designation by the Agency of said project occupant (or any sublessee, contractor, supplier or other operator of the project) as an agent of the Agency.
- (3) Any grant made by the Agency with respect to said project or Project Operator shall during such calendar year.
- (4) Any loan made by the Agency with respect to said project or Project Operator shall during such calendar year.
- (H) For purposes of this Policy, with respect to a particular project, the term "Project Agreements" shall mean the project documents between the Agency and an applicant with respect to the applicant's project. In addition to a lease agreement or installment sale agreement between the Agency and the applicant, the Project Agreements may also include a payment in lieu of tax agreement, a project agreement, and one or more recapture agreements, as well as security agreements intended to ensure compliance by the applicant with the requirements of the Project Agreements.
- SECTION 2502. REQUIREMENTS FOR APPLICANTS. (A) Under the Act, the Agency is required to submit certain annual reports relating to Agency projects to the New York State Office of the Comptroller. In order to satisfy its annual reporting requirements and other requirements under the Act and certain other requirements imposed by the Act, as well as the new requirements imposed upon the Agency by the 2013 Budget Law, the Agency will require each applicant for financial assistance from the Agency agree to satisfy the following requirements as a condition to the receipt of such financial assistance:
 - (1) Any applicant requesting a sales tax exemption from the Agency must include in the application a realistic estimate of the value of the savings anticipated to be received by the applicant. Each applicant is hereby warned to provide a realistic estimate in the application, as the 2013 Budget Law and the regulations expected to be enacted thereunder are expected to require that the Agency recapture any benefit that exceeds the greater of (a) the amount listed in said application or (b) authorized by the Agency in a separate resolution.
 - (2) Any applicant requesting a sales tax exemption from the Agency must agree to annually file (and cause any sublessee, contractor, supplier or other operator of the project to file annually) with the State, on a form and in such manner as is prescribed by the State, a statement of the value of all sales and use tax exemptions claimed by the applicant and all contractors, subcontractors, consultants and other agents of the applicant under the authority granted to the applicant by the Agency.
 - (3) Any applicant requesting a sales tax exemption from the Agency must agree to furnish to the Agency a copy of each such annual report submitted to the State by the applicant or any sublessee, contractor, supplier or other operator of the project.
 - (4) As required by the 2013 Budget Law, the Project Agreements will provide that any sales tax benefits determined by the Agency to be subject to recapture pursuant to the 2013

As provided in the New York Freedom of Information Law ("FOIL"), the applicant may request that certain information contained therein be redacted and, if the applicant can demonstrate to the satisfaction of the Agency that release of said information would result in substantial harm to the applicant's competitive position, the Agency may comply with such request.
- (6) Except as otherwise provided by collective bargaining agreements, new employment opportunities created as a result of the Project will be listed with the New York State Department of Labor Community Services Division (the "DOC") and with the administrative entity (collectively with the DOC, the "JTPA Entities") of the service delivery area created by the federal job training partnership act (Public Law 97-300) ("JTPA"), as replaced by the Workforce Investment Act of 1998 (Public Law 105-220), in which the Project is located.

 - (2) If the Project Operator moves all operations outside the City, neglects to move operations to the City, or the project does not otherwise conform to the project described in the Project Agreements;
 - (3) If a significant shortfall in economic benefits is identified, as compared with the application, such as a significant shortfall in new job creation/retention and/or expected major investments in the business;
 - (4) Failure to comply with annual reporting requirements or provide the Agency with requested information; or
 - (5) Closure of a project within the time period the applicant receives Agency financial assistance.
- (C) Should the staff or board members of the Agency find significant deficiencies in the achievement of the economic benefits promised as described in the application and the Project Agreements, the Project Operator will be asked to provide justification for said shortfalls. The board members of the Agency will compare these statements against industry standards, as well as the current market and economic conditions, to determine whether the Project Operator did all that it could to meet its obligations as outlined in the application and the Project Agreements.
- (D) The board members of the Agency will determine on a case by case basis whether a hearing is appropriate to allow a Project Operator to be heard on the issue regarding said Project Operator's failure to achieve the projected economic benefits.
- (E) Should the board members of the Agency find that (1) significant deficiencies in the achievement of the economic benefits promised as described in the application and the Project Agreements have occurred and (2) there appears to be no justification satisfactory to the Agency to explain these deficiencies, the Agency may determine to undertake any enforcement action available to the Agency under the Agency Agreements to seek redress for these deficiencies.
