RELATING THERETO

Notice is hereby given that a public hearing pursuant to Section 859-a(2) of the General Municipal Law of the State of New York (the "Act") will be held by City of Albany Industrial Development Agency (the "Agency") on the 12th day of October, 2016 at 12:00 o'clock p.m., local time, at 21 Lodge Street in City of Albany, Albany County, New York in connection with the following matters:

Nipper Apartments, LLC, a New York limited liability company (the "Company"), has presented an application (the "Application") to the Agency, a copy of which Application is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project consisting of the following: (A)(1) the acquisition of an interest in an approximately 1.68 acre parcel of land (tax map number 65.16-4-6) currently with an address of 991 Broadway in the City of Albany, Albany County, New York (the "Land"), together with two buildings containing in the aggregate approximately 112,560 square feet of space located thereon (collectively, the "Existing Facility"), (2) demolition of the one building containing approximately 11,600 square feet of space, the renovation of the remaining approximately 100,960 square feet of space and the further construction of related parking (the Existing Facility as demolished and renovated and the parking being collectively referred to as the "Facility") and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property, including without limitation, tenant improvement and finish (collectively, the "Equipment") (the Land, the Existing Facility, the Facility, and the Equipment being collectively referred to as the "Project Facility"), all of the foregoing to constitute an approximately 75 unit apartment complex with commercial space to be owned and operated by the Company, and other directly and indirectly related activities; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

The Agency is considering whether (A) to undertake the Project, and (B) to provide certain exemptions from taxation with respect to the Project, including (1) exemption from mortgage recording taxes with respect to any documents, if any, recorded by the Agency with respect to the Project in the office of the County Clerk of Albany County, New York or elsewhere, (2) exemption from deed transfer taxes on any real estate transfers, if any, with respect to the Project and (3) exemption from sales taxes relating to the acquisition, demolition, construction, renovation and installation of the Project Facility. If any portion of the Financial Assistance to be granted by the Agency with respect to the Project is not consistent with the Agency's uniform tax exemption policy, the Agency will follow the procedures for deviation from such policy set forth in Section 874(4) of the Act prior to granting such portion of the Financial Assistance.

If the Agency determines to proceed with the Project, the Project Facility will be acquired, constructed, demolished, reconstructed and installed by the Agency and will be leased (with an obligation to purchase) or sold by the Agency to the Company or its designee pursuant to a project agreement (the "Agreement") requiring that the Company or its designee make certain payments to the Agency.

The Agency has not yet made a determination pursuant to Article 8 of the Environmental Conservation Law (the “SEQR Act”) regarding the potential environmental impact of the Project.

The Agency will at said time and place hear all persons with views on either the location and nature of the proposed Project, or the Financial Assistance being contemplated by the Agency in connection with the proposed Project. A copy of the Application filed by the Company with the Agency with respect to the Project, including an analysis of the costs and benefits of the Project, is available for public inspection during business hours at the offices of the Agency. A transcript or summary report of the hearing will be made available to the members of the Agency.
