PAYMENT IN LIEU OF TAX AGREEMENT

THIS PAYMENT IN LIEU OF TAX AGREEMENT dated as of April 1, 2015 (the "Payment in Lieu of Tax Agreement") by and between CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY, a public benefit corporation organized and existing under the laws of the State of New York having an office for the transaction of business located at 21 Lodge Street, Albany, New York (the "Agency"), and 67 HOWARD STREET LLC, a limited liability company organized and existing under the laws of the State of New York having an office for the transaction of business located at 302 Washington Avenue Extension, Albany, New York (the "Company");

WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "Enabling Act") was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the "State") and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 325 of the Laws of 1974 of the State (collectively, with the Enabling Act, the "Act") and is empowered under the Act to undertake the Project (as hereinafter defined) in order to so advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, in September, 2013, 67 Howard Street LLC (the "Company"), a limited liability company duly organized and validly existing under the laws of the State of New York, presented an application (the "Application") to City of Albany Industrial Development Agency (the "Agency"), a public benefit corporation duly established under Chapter 1030 of 1969 Laws of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act") and Chapter 325 of the 1974 Laws of New York, as amended, constituting Section 903-a of said General Municipal Law of the State of New York (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act"), which Application requested that the Agency consider undertaking a project (the "Initial Project") for the benefit of the Company, said Initial Project to include the following: (A) (1) the acquisition of an interest in a parcel of land containing approximately .69 acres and located at 67 Howard Street (currently Tax Map # 76.33-1-13) in the City of Albany, Albany County, New York (the "Land"), (2) the construction on the Land of a parking facility to contain approximately 200 parking spaces (with the potential expansion to approximately 300 total parking spaces) (the "Facility") and (3) the acquisition and installation therein and thereon of certain

fixtures, machinery and equipment (the "Equipment") (the Land, the Facility and the Equipment hereinafter collectively referred to as the "Project Facility"), all of the foregoing to be owned by the Company, to constitute a parking facility and to be operated by the Company as a parking facility and other directly and indirectly related activities; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real property transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, pursuant to the authorization contained in a resolution adopted by the members of the Agency on September 19, 2013 (the "Public Hearing Resolution"), the Executive Director of the Agency (A) caused notice of a public hearing of the Agency (the "Public Hearing") pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on October 25, 2013 to the chief executive officers of the county and of each city, town, village and school district in which the Project Facility is to be located, (B) caused notice of the Public Hearing to be posted on October 29, 2013 on a public bulletin board located at the Albany City Hall located at 24 Eagle Street in the City of Albany, Albany County, New York, as well as on the Agency's website on November 4, 2013, (C) caused notice of the Public Hearing to be published on October 28, 2013 in the Albany Times Union, a newspaper of general circulation available to the residents of the City of Albany, Albany County, New York, (D) conducted the Public Hearing on November 13, 2013 at 11:30 o'clock a.m., local time at offices of the City of Albany Industrial Development Agency located at 21 Lodge Street in the City of Albany, Albany County, New York, and (E) prepared a report of the Public Hearing (the "Public Hearing Report") fairly summarizing the views presented at such Public Hearing and caused copies of said Public Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations (the "Regulations") adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, "SEQRA"), by resolution adopted by the members of the Agency on January 23, 2014 (the "SEQR Resolution"), the Agency (A) concurred in the determination that the City of Albany Planning Board (the "Planning Board") is the "lead agency" with respect to SEQRA and (B) acknowledged receipt of a negative declaration from the Planning Board issued on October 17, 2013 (the "Negative Declaration"), in which the Planning Board determined that the Initial Project will not have a "significant environmental impact on the environment" and accordingly, that an environmental impact statement is not required to be prepared with respect to the Initial Project (as such quoted terms are defined in SEQRA); and

WHEREAS, by further resolution adopted by the members of the Agency on January 23, 2014 (the "Commercial/Retail Finding Resolution"), the Agency (A) determined that the Initial Project constituted a "commercial project" within the meaning of the Act, (B) found that although the Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Initial Project, the Agency is authorized to provide financial assistance in respect of the Initial Project pursuant to Section 862(2)(a) of the Act because the Project Facility is located in a highly distressed area, (C) determined, following a review of the Public Hearing Report, that the Initial Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York, and (D) determined that the Agency would proceed with the Initial Project and the granting of the Financial Assistance; provided however, that no financial assistance would be

provided to the Initial Project by the Agency unless and until the Mayor of City of Albany, as chief executive officer of City of Albany, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Initial Project; and

WHEREAS, by further resolution adopted by the members of the Agency on January 23, 2014 (the "Pilot Deviation Approval Resolution"), the members of the Agency determined to deviate from the Agency's uniform tax exemption policy with respect to the Initial Project; and

WHEREAS, by further resolution adopted by the members of the Agency on January 23, 2014 (the "Approving Resolution"), the Agency determined to grant the Financial Assistance and to enter into a lease agreement dated as of April 1, 2015 (the "Lease Agreement") between the Agency and the Company and certain other documents related thereto and to the Initial Project (collectively with the Lease Agreement, the "Basic Documents"). Pursuant to the terms of the Lease Agreement, (A) the Company will agree (1) to cause the Initial Project to be undertaken and completed, and (2) as agent of the Agency, to undertake and complete the Initial Project and (B) the Agency has leased the Project Facility to the Company for a lease term ending on the earlier to occur of (1) December 31, 2031 or (2) the date on which the Lease Agreement is terminated pursuant to the optional termination provisions thereof. The Lease Agreement grants to the Company certain options to acquire the Project Facility from the Agency; and

WHEREAS, by certificate dated March 24, 2014 (the "Public Approval"), the Mayor, as chief executive officer of the City of Albany, New York, approved the proposed action to be taken by the Agency with respect to the Initial Project for purposes of Section 862(2)(c) of the Act; and

WHEREAS, on April 14, 2015, the Agency received an amendment to the Application with respect to the Initial Project (the "Amendment"), which Amendment amends the Initial Project to include the construction of an approximately 12 foot by 80 foot enclosed overhead bridge that will connect the Facility to the proposed convention center (the "Bridge"), so that the Initial Project is now described as follows (the Initial Project, as amended will be referred to as the "Project"): (A) (1) the acquisition of an interest in a parcel of land containing approximately .69 acres and located at 67 Howard Street (Tax Map # 76.33-1-13) in the City of Albany, Albany County, New York (the "Land"), (2) the construction on the Land of a parking facility to contain approximately 200 parking spaces (with the potential expansion to approximately 300 total parking spaces) (the "Facility"), (3) the further construction of an approximately 12 foot by 80 foot enclosed overhead bridge that will connect the Facility to the proposed convention center (the "Bridge"), and (4) the acquisition and installation therein and thereon of certain fixtures, machinery and equipment (the "Equipment") (the Land, the Facility, the Bridge and the Equipment hereinafter collectively referred to as the "Project Facility"), all of the foregoing to be owned by the Company, to constitute a parking facility and to be operated by the Company as a parking facility and other directly and indirectly related activities; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, pursuant to SEQRA, (A) the Agency was informed that the Albany Convention Center Authority (the "Lead Agency") was designated the "lead agency" with respect to the Amendment; (B) on May 9, 2014, a Final Environmental Impact Statement (the "FEIS") was accepted and deemed final by the Lead Agency; and (C) on May 19, 2014, a findings statement was prepared and adopted by

the Lead Agency (the “Findings Statement”) and a notice of completion of the FEIS was filed by the Lead Agency pursuant to 6 NYCRR 617.11(a); and

WHEREAS, further, pursuant to SEQRA, by resolution adopted by the members of the Agency on April 23, 2015 (the “SEQR Resolution for Amended Project”), the Agency adopted the Findings Statement as the Agency’s written findings statement relative to the Amendment, as required by 6 NYCRR 617.11(c); and

WHEREAS, pursuant to the Amendment, by resolution adopted by the members of the Agency on April 23, 2015 (the “Amended Approving Resolution”), the Agency determined to amend the Approving Resolution; and

WHEREAS, simultaneously with the execution and delivery of the Lease Agreement (the “Closing”), (A) the Company will execute and deliver to the Agency (1) a certain lease to agency dated as of April 1, 2015 (the “Lease to Agency”) by and between the Company, as landlord, and the Agency, as tenant, pursuant to which the Company will lease to the Agency a portion of the Land and all improvements now or hereafter located on said portion of the Land (collectively, the “Leased Premises”) for a lease term ending on December 31, 2031; (2) a certain license agreement dated as of April 1, 2015 (the “License to Agency”) by and between the Company, as licensor, and the Agency, as licensee, pursuant to which the Company will grant to the Agency (a) a license to enter upon the balance of the Land (the “Licensed Premises”) for the purpose of undertaking and completing the Project and (b) in the event of an occurrence of an Event of Default by the Company, an additional license to enter upon the Licensed Premises for the purpose of pursuing its remedies under the Lease Agreement; and (3) a bill of sale dated as of April 1, 2015 (the “Bill of Sale to Agency”), which conveys to the Agency all right, title and interest of the Company in the Equipment, (B) the Company and the Agency will execute and deliver (1) a payment in lieu of tax agreement dated as of April 1, 2015 (the “Payment in Lieu of Tax Agreement”) by and between the Agency and the Company, pursuant to which the Company will agree to pay certain payments in lieu of taxes with respect to the Project Facility, (2) a certain recapture agreement (the “Section 875 GML Recapture Agreement”) by and between the Company and the Agency, required by the Act, regarding the recovery or recapture of certain sales and use taxes; (C) the Agency will file with the assessor and mail to the chief executive officer of each “affected tax jurisdiction” (within the meaning of such quoted term in Section 854(16) of the Act) a copy of a New York State Board of Real Property Services Form 412-a (the form required to be filed by the Agency in order for the Agency to obtain a real property tax exemption with respect to the Project Facility under Section 412-a of the Real Property Tax Law) (the “Real Property Tax Exemption Form”) relating to the Project Facility and the Payment in Lieu of Tax Agreement, (D) the Agency will execute and deliver to the Company a sales tax exemption letter (the “Sales Tax Exemption Letter”) to ensure the granting of the sales tax exemption which forms a part of the Financial Assistance and (E) the Agency will file with the New York State Department of Taxation and Finance the form entitled “IDA Appointment of Project Operator or Agent for Sales Tax Purposes” (the form required to be filed pursuant to Section 874(9) of the Act) (the “Thirty-Day Sales Tax Report”); and

WHEREAS, under the present provisions of the Act and Section 412-a of the Real Property Tax Law of the State of New York (the “Real Property Tax Law”), the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or control; and

WHEREAS, pursuant to the provisions of Section 6.6 of the Lease Agreement, the Company has agreed to make payments in lieu of taxes with respect to the Project Facility in an amount equivalent to normal taxes, provided that, so long as this Payment in Lieu of Tax Agreement shall be in effect, the Company shall during the term of this Payment in Lieu of Tax Agreement make payments in lieu of taxes

in the amounts and in the manner provided in this Payment in Lieu of Tax Agreement, and during such period the provisions of Section 6.6 of the Lease Agreement shall not control the amounts due as payment in lieu of taxes with respect to that portion of the Project Facility which is covered by this Payment in Lieu of Tax Agreement; and

WHEREAS, all things necessary to constitute this Payment in Lieu of Tax Agreement a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution and delivery of this Payment in Lieu of Tax Agreement have in all respects been duly authorized by the Agency and the Company;

NOW, THEREFORE, in consideration of the matters above recited, the parties hereto formally covenant, agree and bind themselves as follows, to wit:

ARTICLE II

COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF THE PROJECT FACILITY. (A) Assessment of the Project Facility. Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of the Project Facility by the Agency and the filing by the Agency of a New York State Board of Real Property Services Form RP-412-a (a "Real Property Tax Exemption Form") with respect to the Project Facility, and for so long thereafter as the Agency shall own the Project Facility, the Project Facility shall be assessed by the various taxing entities having jurisdiction over the Project Facility, including, without limitation, any county, city, school district, town, village or other political unit or units wherein the Project Facility is located (such taxing entities being sometimes collectively hereinafter referred to as the "Taxing Entities", and each of such Taxing Entities being sometimes individually hereinafter referred to as a "Taxing Entity") as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of the leasehold interest to the Project Facility created by the Underlying Lease and the filing of the Real Property Tax Exemption Forms. The Company shall, promptly following acquisition by the Agency of the leasehold interest to the Project Facility created by the Underlying Lease, take such action as may be necessary to ensure that the Project Facility shall be assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency, including ensuring that a Real Property Tax Exemption Form shall be filed with the appropriate officer or officers of each respective Taxing Entity responsible for assessing properties on behalf of each such Taxing Entity (each such officer being hereinafter referred to as an "Assessor"). For so long thereafter as the Agency shall own such leasehold interest in the Project Facility, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The parties hereto understand that the Project Facility shall not be entitled to such tax-exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the tax status date of such Taxing Entity occurring subsequent to the date upon which the Agency becomes the owner of record of such leasehold interest in the Project Facility and the Real Property Tax Exemption Forms are filed with the Assessors. Pursuant to the provisions of the Lease Agreement, the Company will be required to pay all taxes and assessments lawfully levied and/or assessed against the Project Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Project Facility shall be entitled to exempt status on the tax rolls of the respective Taxing Entities. The Agency will cooperate with the Company to obtain and preserve the tax-exempt status of the Project Facility.

(B) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement, the Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES. (A) Agreement to Make Payments. The Company agrees that it shall make annual payments in lieu of property taxes in the amounts hereinafter provided to the respective Taxing Entities entitled to receive same pursuant to the provisions hereof. The Company also agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The payments due hereunder shall be paid by the Company to the respective appropriate officer or officers of the respective Taxing Entities charged with receiving payments of taxes for such Taxing Entities (such officers being collectively hereinafter referred to as the "Receivers of Taxes") for distribution by the Receivers of Taxes to the appropriate Taxing Entities entitled to receive same pursuant to the provisions hereof.

(B) Valuation of the Project Facility. (1) The value of the Project Facility for purposes of determining payments in lieu of taxes due hereunder (hereinafter referred to as the "Assessed Value") shall be determined in accordance with the terms of Exhibit B attached hereto and this Section 2.02(B). The Company agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The parties hereto agree that the Assessors shall (a) appraise the Facility and any portion of the Equipment assessable as real property pursuant to the New York Real Property Tax Law (collectively with the Facility, the "Improvements") in the same manner as other similar properties in the general area of the Improvements, and (b) place an Assessed Value upon the Improvements, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial determination of the Assessed Value of the Improvements and of any change in the Assessed Value of the Land or the Improvements.

(2) If the Company is dissatisfied with the amount of the Assessed Value of the Improvements as initially established or with the amount of the Assessed Value of the Land or the Improvements as changed, and if the Company shall have given written notice of such dissatisfaction to the appropriate Assessor and the Agency within thirty (30) days of receipt by the Company of written notice of the initial establishment of such Assessed Value of the Improvements, or of a change in such Assessed Value of the Land or the Improvements, then the Company shall be entitled to protest before, and to be heard by, the appropriate Assessor and the Agency. If the Agency, the Company and any Assessor shall fail to reach agreement as to the proper Assessed Value of the Project Facility for purposes of determining payments in lieu of taxes due under this Payment in Lieu of Tax Agreement, then such Assessor, the Company and the Agency shall each select one arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall be a qualified real estate appraiser, experienced in valuation for the purposes of tax assessment in the general area of the Project Facility, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Assessed Value has been properly established by the Assessor. It is understood that the arbitrators are empowered to confirm the Assessed Value or to determine a higher or a lower Assessed Value. Any payments in lieu of taxes due upon the Project Facility may not be withheld by the Company pending determination of the Assessed Value by the arbitrators.

(C) Amount of Payments in Lieu of Taxes. The payments in lieu of taxes to be paid by the Company to the Receivers of Taxes annually on behalf of each Taxing Entity pursuant to the terms of this Payment in Lieu of Tax Agreement shall be the amount computed separately for each Taxing Entity as set forth in Exhibit B attached.

(D) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Project Facility or any portion thereof or any additional building or other structure shall be constructed on the Land (such structural additions and additional buildings and other structures being hereinafter referred to as "Additional Facilities") the Company agrees to make additional annual payments in lieu of property taxes with respect to such Additional Facilities (such additional payments being hereinafter collectively referred to as "Additional Payments") to the Receivers of Taxes with respect to such Additional Facilities, such Additional Payments to be computed separately for each Taxing Entity as follows:

(1) Determine the amount of general taxes and general assessments (hereinafter referred to as the "Additional Normal Tax") which would be payable to each Taxing Entity with respect to such Additional Facilities if such Additional Facilities were owned by the Company and not the Agency as follows: (a) multiply the Additional Assessed Value (as hereinafter defined) of such Additional Facilities determined pursuant to subsection (E) of this Section 2.02 by (b) the tax rate or rates of such Taxing Entity that would be applicable to such Additional

Facilities if such Additional Facilities were owned by the Company and not the Agency, and (c) reduce the amount so determined by the amounts of any tax exemptions that would be afforded to the Company by such Taxing Entity if such Additional Facilities were owned by the Company and not the Agency.

(2) In each fiscal tax year during the term of this Payment in Lieu of Tax Agreement (commencing in the fiscal tax year when such Additional Facilities would first appear on the assessment roll of any Taxing Entity) if such Additional Facilities were owned by the Company and not the Agency, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax with respect to such Additional Facilities pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to such Additional Facilities for such fiscal tax year (unless the Agency and the Company shall enter into a separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement shall control).

(E) Valuation of Additional Facilities. (1) The value of Additional Facilities for purposes of determining payments in lieu of taxes due under Section 2.02(D) hereof shall be determined by the Assessors of each respective Taxing Entity. The parties hereto agree that the Assessors shall (a) appraise the Additional Facilities in the same manner as other similar properties in the general area of the Project Facility, and (b) place a value for assessment purposes (hereinafter referred to as the "Additional Assessed Value") upon the Additional Facilities, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial establishment of such Additional Assessed Value and of any change in such Additional Assessed Value.

(2) If the Company is dissatisfied with the amount of the Additional Assessed Value of the Additional Facilities as initially established or as changed, and if the Company shall have given written notice of such dissatisfaction to the appropriate Assessor and the Agency within thirty (30) days of receipt by the Company of written notice of the initial establishment of such Additional Assessed Value, or of a change in such Additional Assessed Value, then the Company shall be entitled to protest before, and to be heard by, the appropriate Assessor and the Agency. If the Agency, the Company and any Assessor shall fail to reach agreement as to the proper Additional Assessed Value of the Additional Facilities for purposes of determining payments in lieu of taxes due under this Payment in Lieu of Tax Agreement, then such Assessor, the Company and the Agency shall each select one arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall be a qualified real estate appraiser, experienced in valuation for the purposes of tax assessment in the general area of the Project Facility, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Additional Assessed Value of the Additional Facilities has been properly established by the Assessor. It is understood that the arbitrators are empowered to confirm the Additional Assessed Value or to determine a higher or lower Additional Assessed Value. Any payments in lieu of taxes due upon such Additional Facilities pursuant to Section 2.02(D) hereof may not be withheld by the Company pending determination of the Additional Assessed Value by the arbitrators.

(F) Statements. Pursuant to Section 858(15) of the Act, the Agency agrees to give each Taxing Entity a copy of this Payment in Lieu of Tax Agreement within fifteen (15) days of the execution and delivery hereof, together with a request that a copy hereof be given to the appropriate officer or officers of the respective Taxing Entities responsible for preparing the tax rolls for said Tax Entities (each, a "Tax Billing Officer") and a request that said Tax Billing Officers submit to the Company and to the appropriate Receiver of Taxes periodic statements specifying the amount and due date or dates of the

payments due each Taxing Entity hereunder, such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed by such Taxing Entities.

(G) Time of Payments. The Company agrees to pay the amounts due hereunder to the Receivers of Taxes for the benefit of each particular Taxing Entity in any fiscal tax year to the appropriate Receiver of Taxes within the period that such Taxing Entity allows payment of taxes levied in such fiscal tax year without penalty. The Company shall be entitled to receive receipts for such payments.

(H) Method of Payment. All payments by the Company hereunder shall be paid to the Receivers of Taxes in lawful money of the United States of America. The Receivers of Taxes shall in turn distribute the amounts so paid to the various Taxing Entities entitled to same.

SECTION 2.03. CREDIT FOR TAXES PAID. (A) Amount of Credit. The parties hereto acknowledge and agree that the obligation of the Company to make the payments provided in Section 2.02 of this Payment in Lieu of Tax Agreement shall be in addition to any and all other taxes and governmental charges of any kind whatsoever which the Company may be required to pay under the Lease Agreement. It is understood and agreed, however, that, should the Company pay in any fiscal tax year to any Taxing Entity any amounts in the nature of general property taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Project Facility or the interest therein of the Company or the occupancy thereof by the Company (but not including, by way of example, (1) sales and use taxes, and (2) special assessments, special ad valorem levies or governmental charges in the nature of utility charges, including but not limited to water, solid waste, sewage treatment or sewer or other rents, rates or charges), then the Company's obligation to make payments in lieu of property taxes attributed to such fiscal tax year to such Taxing Entity hereunder shall be reduced by the amounts which the Company shall have so paid to such Taxing Entity in such fiscal tax year, but there shall be no cumulative or retroactive credit as to any payment in lieu of property taxes due to any other Taxing Entity or as to any payment in lieu of property taxes due to such Taxing Entity in any other fiscal tax year.

(B) Method of Claiming Credits. If the Company desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company shall give the governing body of the affected Taxing Entity and the Agency prior written notice of its intention to claim any credit pursuant to the provision of this Section 2.03, said notice to be given by the Company at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.02(G) hereof. In the event that the governing body of the appropriate Taxing Entity desires to contest the Company's right to claim such credit, then said governing body, the Agency and the Company shall each select an arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall meet the qualifications set forth in Section 2.02(B) hereof, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Company is entitled to claim any credit pursuant to the provisions of this Section 2.03 and, if so, the amount of the credit to which the Company is entitled. It is understood that the arbitrators are empowered to confirm the amount of the credit claimed by the Company or to determine a lower or higher credit. When the Company shall have given notice, as provided herein, that it claims a credit, the amount of any payment in lieu of property taxes due hereunder against which the credit may be claimed may be withheld (to the extent of the credit claimed by the Company, but only to the extent that such credit may be claimed against said payment in lieu of taxes pursuant to the provisions of this Section 2.03) until the decision of the arbitrators is rendered. After the decision of the arbitrators is rendered, the payment in lieu of taxes due with respect to any reduction or disallowance by the arbitrators in the amount of the credit claimed by the Company shall, to the extent withheld as aforesaid, be immediately due and payable and shall be paid by the Company within thirty (30) days of said decision.

SECTION 2.04. LATE PAYMENTS. (A) First Month. Pursuant to Section 874(5) of the Act, if the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due, the Company shall pay the same, together with a late payment penalty equal to five percent (5%) of the amount due.

(B) Thereafter. If the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

ARTICLE III

LIMITED OBLIGATION

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY. (A) No Recourse. All obligations, covenants, and agreements of the Agency contained in this Payment in Lieu of Tax Agreement shall be deemed to be the obligations, covenants, and agreements of the Agency and not of any member, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Payment in Lieu of Tax Agreement, or otherwise based upon or in respect of this Payment in Lieu of Tax Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Payment in Lieu of Tax Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement, it being expressly understood that this Payment in Lieu of Tax Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Payment in Lieu of Tax Agreement by the Agency.

(B) Limited Obligation. The obligations, covenants and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or City of Albany, New York, and neither the State of New York nor City of Albany, New York shall be liable thereon, and further such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights, as defined in the Lease Agreement).

(C) Further Limitation. Notwithstanding any provision of this Payment in Lieu of Tax Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do so in writing by the Company, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity and an agreement from the Company to defend and hold harmless the Agency satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

SECTION 4.01. EVENTS OF DEFAULT. Any one or more of the following events shall constitute an event of default under this Payment in Lieu of Tax Agreement, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Payment in Lieu of Tax Agreement, any one or more of the following events:

(A) Failure of the Company to pay when due any amount due and payable by the Company pursuant to this Payment in Lieu of Tax Agreement and continuance of said failure for a period of fifteen (15) days after written notice to the Company stating that such payment is due and payable;

(B) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed hereunder (other than as referred to in paragraph (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period and if the Company shall have commenced action to cure the breach of covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for so long as the Company shall require in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of ninety (90) days in the aggregate from the date of default; or

(C) Any warranty, representation or other statement by or on behalf of the Company contained in this Payment in Lieu of Tax Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Payment in Lieu of Tax Agreement and (1) shall be materially adverse to the Agency at the time when the notice referred to below shall have been given to the Company and (2) if curable, shall not have been cured within thirty (30) days after written notice of such incorrectness shall have been given to a responsible officer of the Company, provided that if such incorrectness cannot reasonably be cured within said thirty-day period and the Company shall have commenced action to cure the incorrectness within said thirty-day period and, thereafter, diligently and expeditiously proceeds to cure the same, such thirty-day period shall be extended for so long as the Company shall require, in the exercise of due diligence, to cure such default.

SECTION 4.02. REMEDIES ON DEFAULT. (A) General. Whenever any Event of Default shall have occurred with respect to this Payment in Lieu of Tax Agreement, the Agency (or if such Event of Default concerns a payment required to be made hereunder to any Taxing Entity, then with respect to such Event of Default such Taxing Entity) may take whatever action at law or in equity as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Payment in Lieu of Tax Agreement.

(B) Cross-Default. In addition, an Event of Default hereunder shall constitute an event of default under Article X of the Lease Agreement. Upon the occurrence of an Event of Default hereunder resulting from a failure of the Company to make any payment required hereunder, the Agency shall have, as a remedy therefor under the Lease Agreement, among other remedies, the right to terminate the Lease Agreement and convey the Project Facility to the Company, thus subjecting the Project Facility to immediate full taxation pursuant to Section 520 of the Real Property Tax Law of the State.

(C) Separate Suits. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises.

(D) Venue. The Company irrevocably agrees that any suit, action or other legal proceeding arising out of this Payment in Lieu of Tax Agreement may be brought in the courts of record of the State, consents to the jurisdiction of each such court in any such suit, action or proceeding, and waives any objection which it may have to the laying of the venue of any such suit, action or proceeding in any of such courts.

SECTION 4.03. PAYMENT OF ATTORNEY'S FEES AND EXPENSES. Pursuant to Section 874(6) of the Act, if the Company should default in performing any of its obligations, covenants or agreements under this Payment in Lieu of Tax Agreement and the Agency or any Taxing Entity should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation, covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency or such Taxing Entity, as the case may be, not only the amounts adjudicated due hereunder, together with the late payment penalty and interest due thereon, but also the reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred, whether or not an action is commenced.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE. (A) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency or any Taxing Entity is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Payment in Lieu of Tax Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required. In order to entitle the Agency or any Taxing Entity to exercise any remedy reserved to it in this Payment in Lieu of Tax Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Payment in Lieu of Tax Agreement.

(D) No Waiver. In the event any provision contained in this Payment in Lieu of Tax Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Payment in Lieu of Tax Agreement shall be established by conduct, custom or course of dealing.

ARTICLE V

PILOT PAYMENT TERMS

I. Assessed Value:

(A) The Assessed Value of the Project Facility shall consist of two components, the base Assessed Value (the "Project Base Assessed Value") and the additional Assessed Value (the "Project Improvements Assessed Value").

(B) The Project Base Assessed Value shall be equal to one hundred percent (100%) of the normal taxes due on the Land.

(C) The Project Improvements Assessed Value shall equal the value of the Facility improved pursuant to the undertaking and completion of the Project (the "Improvements"). The Project Improvements Assessed Value shall be established pursuant to the terms of Section 2.02(B) of this Payment in Lieu of Tax Agreement.

(D) The parties hereto understand and agree that the Project Base Assessed Value is intended to change during the term of this Payment in Lieu of Tax Agreement. The parties hereto further understand and agree that the Project Improvements Assessed Value shall change during the term of this Payment in Lieu of Tax Agreement as the Assessors appraise and re-appraise, as the case may be, the Project Facility during the term of this Payment in Lieu of Tax Agreement, as provided in Section 2.02(B) of this Payment in Lieu of Tax Agreement.

(E) Commencing on the first tax year following the tax status date on which any Taxing Entity switches from its present system of "fractional assessment" (i.e., valuing real property for taxing purposes at a percentage of full value significantly below 100% of full value) to a system of "full value assessment" (i.e., a system of valuing real property for taxing purposes at a percentage of full value approximately equal to 100% of the full value), the Project Base Assessed Value of the Land and the Facility for purposes of determining payments in lieu of property taxes due such Taxing Entity hereunder shall be in such new amounts as shall be determined by multiplying the Project Base Assessed Value by a fraction, the numerator of which is 100% and the denominator of which is the state equalization rate for the assessment roll of such Taxing Entity completed immediately prior to such switch to a system of "full value assessment".

II. Amount of Payments in Lieu of Taxes:

(A) Except as otherwise provided in Section III below, the amount of payments in lieu of taxes shall be the sum of the following: (1) the amount of payments in lieu of taxes payable with respect to the Land and Facility based on the Project Base Assessed Value, and (2) the amount of payments in lieu of taxes payable with respect to the Improvements based on the Project Improvements Assessed Value.

(1) Payments - Project Base Assessed Value. (a) First, determine the amount of general taxes and general assessments (hereinafter referred to as the "Normal Tax") which would be payable to each Taxing Entity if the Land and the Facility were owned by the Company and not the Agency by multiplying (i) the Project Base Assessed Value of the Land and the Facility by (ii) the tax rate or rates of such Taxing Entity that would be applicable to the Land and the Facility if the Land and the Facility were owned by the Company and not the Agency.

(b) Then, in each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Land and the Facility shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Land and the Facility shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to the Land and the Facility for such tax year.

(2) Payments - Project Improvements Assessed Value. (a) First, determine the Normal Tax which would be payable to each Taxing Entity if the Improvements were owned by the Company and not the Agency by multiplying (i) the Project Improvements Assessed Value determined pursuant to Section 2.02(B) of this Payment in Lieu of Tax Agreement, by (ii) the tax rate or rates of such Taxing Entity that would be applicable to the Improvements if the Improvements were owned by the Company and not the Agency.

(b) Then, in each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Improvements shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Improvements shall be an amount equal to the applicable percentage of the Normal Tax due each Taxing Entity with respect to the Improvements for such tax year, as shown in the following table:

<u>Tax Year Commencing in Calendar Year</u>	<u>County/ City Percentage of Normal Tax on Assessed Value of the Improvements</u>	<u>School Percentage of Normal Tax on Assessed Value of the Improvements</u>
2016	N/A	0%
2017	0%	0%

2030	50%	50%
2031	50%	100%
2032 and thereafter during the term of this Payment in Lieu of Tax Agreement	100%	100%

(B) Except as otherwise provided in Section III below, in each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which any portion of the Project Facility shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Project Facility shall be the sum of (1) the amount due each Taxing Entity with respect to the Land and the Facility for such tax year, as determined pursuant to subsection (A)(1) hereof, **plus** (2) the amount due each Taxing Entity with respect to the Improvements for such tax year, as determined pursuant to subsection (A)(2) hereof.

III. Alternative Determination of Amount of Payments in Lieu of Taxes:

(A) Beginning on January 1, 2026, the Company will pay payments in lieu of taxes in an amount equal to the greater of (1) the amount determined pursuant to Section II above, or (2) 15% of the Gross Revenue (as hereinafter defined) for the Applicable Fiscal Year (as hereinafter defined) of the Project Facility.

(B) "Gross Revenue" means the total amount of income generated at the Project Facility, including tenant rent, unreturned security deposits, lease cancellation/termination payments, parking fees, any payments in kind, and other miscellaneous revenue generated at the site (e.g., vending machines and other landlord services paid by the tenant). In addition, any agreement entered into by the Company providing for the lease or use of parking spaces at below market rates (e.g., as a credit to adjacent commercial tenants or users of adjacent or local hotel or convention facilities) must be disclosed to the Agency for the purpose of making an adjustment to Gross Revenues. Notwithstanding anything herein to the contrary, the term Gross Revenues shall not include any moneys collected and/or held by the Company which constitute New York State sales and use taxes.
