RE: Proposed Deviation from Uniform Tax Exemption Policy by
City of Albany Industrial Development Agency in connection
with its Proposed Honest Weight Food Co-Operative, Inc. Project

Gentlemen:

In May, 2012, Honest Weight Food Co-Operative, Inc. (the "Company") presented an application (the "Application") to the City of Albany Industrial Development Agency (the "Agency"), requesting that the Agency consider undertaking a project (the "Project") consisting of the following: (A) (1) the acquisition of an interest in a parcel of land containing approximately 2.67 acres and located at 100 Watervliet Avenue in the City of Albany, Albany County, New York (the "Land") together with the existing facility containing approximately 41,000 square feet of space located on the Land (the "Existing Facility"), (2) the demolition of the Existing Facility, (3) the construction of a new building to contain approximately 30,000 square feet of space (the "Facility") and (4) the acquisition and installation therein and thereon of certain machinery and equipment (the "Equipment") (the Land, the Facility and the Equipment hereinafter collectively referred to as the "Project Facility"), all of the foregoing to be owned and operated by the Company as a food cooperative retail facility and other directly and indirectly related activities; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

In connection with the Project, the Company has requested that the Agency provide the Company with certain real property tax abatements according to the terms of a payment in lieu of tax agreement. Under the Agency's Uniform Tax Exemption Policy (the "Tax Exemption Policy") the Project qualifies for real property tax abatement consistent with the Agency's Urban Reinvestment Incentive Program ("URTIP"), which would provide the Company with a payment in lieu of tax agreement that provides a 100% abatement in real property taxes for years 1 through 7 of the payment in lieu of tax agreement with a 25% per year decrease in the percentage of real property tax abatement over the remainder of the ten year payment in lieu of tax agreement.

Instead of utilizing the full abatement available under URTIP, the Company is requesting that the amount of real property taxes being abated under a payment in lieu of tax agreement be reduced to the minimum amount of real property tax abatement necessary to ensure that the economics of the Project (i.e., debt coverage ratios and profit margins) are sufficient to obtain the financing necessary to complete the Project.

The Company has calculated the minimum levels of real property tax abatement necessary to ensure proper access to financing and has asked the Agency to consider entering into a payment in lieu of tax agreement (the "Pilot Request") that, in lieu of URTIP, provides a 100% abatement in real property taxes for years 1 through 3 of the payment in lieu of tax agreement, a 75% abatement in real property taxes in year 4 of the payment in lieu of tax agreement, a 50% abatement in real property taxes in years 5 and 6 of the payment in lieu of tax agreement, a 40% abatement in real property taxes in year 7 of the payment in lieu of tax agreement, a 30% abatement in real property taxes in year 8 of the payment in lieu of tax agreement, a 20% abatement in real property taxes in year 9 of the payment in lieu of tax agreement, and normal taxes in years 10 and beyond.

Although the Pilot Request, if approved, would result in the Company paying significantly more in payments in lieu of taxes than is required under the Tax Exemption Policy and URTIP, the Pilot Request is considered a deviation from the Tax Exemption Policy. The Agency is in the process of determining whether to provide the Company with a payment in lieu of tax agreement that is consistent with the terms of the Pilot Request.

The purpose of this letter is to inform you of the Pilot Request and that the Agency is considering whether to grant the Pilot Request and deviate from the Tax Exemption Policy. The Agency expects to consider whether to approve the Pilot Request at its meeting scheduled for July 19, 2012 at 12:15 p.m., local time at the offices of the Agency located at 21 Lodge Street in the City of Albany, Albany County, New York (the "Meeting").

This letter is forwarded to you for purposes of complying with Section 874 of the General Municipal Law of the State of New York, which requires the Agency, prior to taking any action, to notify the chief executive officers of the affected tax jurisdictions in which a project is located if the proposed payment in lieu of tax agreement may deviate from the provisions of the Agency's Tax Exemption Policy.
