## IDA MINUTES OF REGULAR BOARD MEETING

Thursday, February 17, 2022

Attending: Susan Pedo, Lee Eck, Darius Shahinfar, Robert Schofield, Anthony Gaddy, Elizabeth Staubach and Joseph Better

Also Present: Sarah Reginelli, Ashley Mohl, Erin Grace, Andy Corcione, Mike Bohne, Renee McFarlin, Tom Conoscenti, Emma Fullem, Joe Scott, Amy Thompson and Marisa Franchini

Public Present: Omri Sachs, Andy Brick, Evan Podob, Eric Lipenholtz, and Sally Krauss

Chair Susan Pedo called the Regular Board Meeting of the IDA to order at 12:16 p.m. The meeting was conducted telephonically pursuant to recently passed legislation.

### **Roll Call, Reading and Approval of Minutes of the January 20, 2022, Regular Board Meeting**

A roll call of the Board members present was held. Chair Susan Pedo reported that all members were present with the exception of Lee Eck. Since the minutes of the previous meeting had been distributed to Board members in advance for review, Ms. Pedo made a proposal to dispense with the reading of the minutes. Ms. Pedo proposed to approve the minutes of the Regular Board meeting of January 20, 2022. A motion was made Darius Shahinfar and seconded by Joseph Better to accept the minutes as presented. The motion to accept the minutes as presented was passed with all members voting aye.

Lee Eck joined the meeting at 12:19 p.m.

### **Report of Chief Financial Officer**

Staff updated the Board that as of the end of January, \$58,000 had been collected in agency fees, with a projected year-end balance of approximately \$3.9 million.

### **New Business**

#### 1415 Washington Property, LLC

Staff introduced to the Board the *Resolution Consenting to Change in Membership Interest* for the *1415 Washington Property, LLC*, project. Staff reported that the project consists of an approximately 415,000 square foot private student dormitory to be located at 1415 Washington Ave, and will include approximately 240 residential units with approximately 560 beds and 200 off-street parking spaces. The project was approved by the IDA in September of 2021. Staff reported that the request involving additional equity partners and subsequent project ownership change had been discussed in detail at the previous Finance Committee meeting, and that a detailed request from the applicant was included in the Board materials. The

applicants were on hand to answer questions from the Board. Staff noted the request was administrative in nature and the investment level and scope of the project remained the same. A motion to approve the *Resolution Consenting to Change in Membership Interest* was made by Darius Shahinfar and seconded by Anthony Gaddy. The motion was passed with all members voting aye.

### **Other Business**

#### Agency Update

None.

#### Compliance

Staff updated the Board that it continues to work with Project Beneficiaries to collect data for the 2021 Annual Compliance year. Currently, 90% of projects have submitted annual compliance data. In March, Staff will provide a thorough overview of the data, with a focus on job creation and retention numbers. In addition, staff reminded the Board and Agency Officers that annual Statements of Financial Disclosure and Conflict of Interest Forms are due in March.

### **Adjournment**

There being no further business, a motion to adjourn the meeting was made by Darius Shahinfar and seconded by Joseph Better. A vote being take, the meeting was adjourned by unanimous vote at 12:34 p.m.

Respectfully submitted,

---

Anthony Gaddy, Secretary

ALBANY INDUSTRIAL DEVELOPMENT AGENCY WITH RESPECT TO A  
COMMERCIAL PROJECT FOR THE LOFTS AT PINE HILLS LLC

WHEREAS, City of Albany Industrial Development Agency (the “Agency”) is authorized and empowered by the provisions of Chapter 1030 of 1969 Laws of New York, constituting Title 1 of Article 18 A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”) and Chapter 325 of the 1974 Laws of New York, as amended, constituting Section 903-a of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, in January, 2021, The Lofts at Pine Hills LLC, a New York State limited liability company (the “Company”), submitted an application (the “Application”) to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in approximately 9 parcels of land totaling approximately 1.62 acres located at 177 Quail Street, 179 Quail Street, 181 Quail Street, 183 Quail Street, 185 Quail Street, 187 Quail Street, 233 Western Avenue, 237 Western Avenue and 694 State Street Rear (respectively, Tax Map numbers: 65.61-5-26, 65.61-5-27, 65.61-5-28, 65.61-5-29, 65.61-5-30, 65.61-5-31, 65.61-5-41.1, 65.61-5-42 and 65.61-5-14) in the City of Albany, Albany County, New York (collectively, the “Land”), together with approximately nine buildings located thereon (collectively, the “Existing Facility”), (2) the demolition of the Existing Facility and the construction on the Land of an approximately 124,323 square foot mixed use building and associated parking (the “New Facility” and collectively with the Existing Facility, the “Facility”), (3) the acquisition and installation therein and thereon of certain machinery, equipment and other personal property (collectively, the “Equipment”) (the Land, the Facility and the Equipment being collectively referred to as the “Project Facility”); all of the foregoing to be owned and operated by the Company as an approximately 97 unit residential apartment building with approximately 6,000 square feet of commercial/retail space and any other directly and indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real property transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, by resolution adopted by the members of the Agency on February 18, 2021 (the “Public Hearing Resolution”), the Agency authorized a public hearing to be held pursuant to Section 859-a of the Act with respect to the Project; and

WHEREAS, pursuant to the authorization contained in the Public Hearing Resolution, the Chief Executive Officer of the Agency (A) caused notice of a public hearing of the Agency (the “Public Hearing”) pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on February 25, 2021 to the chief executive officers of the county and of each city, town, village and school district in which the Project Facility is to be located, (B) caused notice of the Public Hearing to be posted on February 25, 2021 at Albany City Hall located at 24 Eagle Street in the City of Albany, Albany County, New York, as well as on the Agency’s

website, (C) caused notice of the Public Hearing to be published on February 27, 2021 in the Albany Times Union, a newspaper of general circulation available to the residents of City of Albany, Albany County, New York, (D) as a result of the ban on large meetings or gatherings pursuant to Executive Order 202.1, as supplemented, and the suspension of the Open Meetings Law relating to public hearings pursuant to Executive Order 202.15, as supplemented, each as issued by Governor Cuomo in response to the novel Coronavirus (COVID-19) pandemic, conducted the Public Hearing on March 10, 2021 at 12:00 o'clock p.m. local time, electronically via conference call rather than in person, and (E) prepared a report of the Public Hearing (the "Public Hearing Report") fairly summarizing the views presented at such Public Hearing and caused copies of said Public Hearing Report to be made available to the members of the Agency; and

WHEREAS, by further resolution adopted by the members of the Agency on March 18, 2021 (the "Commercial/Retail Finding Resolution"), the Agency (A) determined that the Project constituted a "commercial project" within the meaning of the Act, (B) found that although the Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act because the Project Facility is located in a highly distressed area, (C) determined, following a review of the Public Hearing Report, that the Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York, and (D) determined that the Agency would proceed with the Project and the granting of the Financial Assistance; provided however, that no financial assistance would be provided to the Project by the Agency unless and until the Mayor of the City of Albany, as chief executive officer of the City of Albany, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Project; and

WHEREAS, by resolution adopted by the members of the Agency on March 18, 2021 (the "Pilot Deviation Approval Resolution"), the members of the Agency determined to deviate from the Agency's uniform tax exemption policy with respect to the Project; and

WHEREAS, pursuant to a resolution adopted by the members of the Agency on March 18, 2021 (the "Approving Resolution"), the Agency determined to grant the Financial Assistance and to enter into a lease agreement (the "Lease Agreement") between the Agency and the Company and certain other documents related thereto and to the Project (collectively with the Lease Agreement, the "Basic Documents"). Pursuant to the terms of the Lease Agreement, (A) the Company will agree (1) to cause the Project to be undertaken and completed, and (2) as agent of the Agency, to undertake and complete the Project and (B) the Agency has leased the Project Facility to the Company. The Lease Agreement grants to the Company certain options to acquire the Project Facility from the Agency; and

WHEREAS, pursuant to the Agency's Policy Manual, the Approving Resolution is scheduled to expire on March 18, 2022, unless the Agency grants an extension to such expiration date; and

WHEREAS, the Company has provided a written request dated March 5, 2022 (the “Extension Request”), a copy of which Extension Request is attached to this Resolution, requesting that the Agency extend the scheduled expiration date of the Approving Resolution; and

WHEREAS, the members of the Agency have reviewed the Extension Request and desire to extend the expiration date of the Approving Resolution;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon the representations made by the Company in the Extension Request, the Agency hereby finds that the findings and determinations relating to the Project contained in Section 3 of the Approving Resolution continue to be in effect, and, therefore, the Agency hereby determines that it is desirable and in the public interest to extend the expiration date of the Approving Resolution from March 18, 2022 to December 31, 2022.

Section 2. The Agency hereby determines as follows: to extend the expiration date of the Approving Resolution to December 31, 2022.

RE: Request for extension of approved PILOT for The Lofts at Pine Hills Project

Dear Ms. Pedo:

Consistent with the City of Albany IDA requirements, we respectfully request an extension of the PILOT agreement for The Lofts at Pine Hills, which is set to expire March 18<sup>th</sup>, 2022, without action.

Since the approval of the PILOT, we became aware of an issue with unsuitable soils that will require a considerable investment to stabilize the foundations of the new structure(s). Over the last year, we have reimagined the layout of the site, zeroing in on a development that will include two separate, four story buildings that will only marginally reduce the number of apartments. This will eliminate some construction elements including reducing the weight of the structure while maintaining the streetscape as close as possible to the previously approved project and allowing for a construction budget that will allow the project to commence.

Further, we have diligently sought ways to reduce the cost associated with the project to a point that is economically feasible and does not diminish the character or spirit of the originally approved design. As I'm sure you are aware, construction costs have skyrocketed over the last two years, particularly as supply chain issues continue to disrupt the ability of contractors to purchase the necessary materials to build new developments, as the effects of the Covid pandemic reverberate through the economy. Our team has witnessed costs for Labor, Wood, Metal, Gypsum Board, Electrical Wire, Copper, and HVAC systems grow at unsustainable rates.

We expect to have final Planning Board approval for the reconfigured site in March or early April, at which time we will be seeking an updated assessment from the City Assessor before submitting an amended application to the City of Albany IDA. While our best estimate for the potential amendment of documents and closing with the Agency is this summer, we are respectfully requesting a nine-month extension through December 31, 2022, to allow ample time for our team and the IDA to work through any outstanding items.

Thank you very much for your time and consideration of this extension request. Should you need anything further, please do not hesitate to reach out.

My Best,

## **Independent Auditors' Report**

### **Report on the Audit of the Financial Statements**

#### ***Opinions***

We have audited the financial statements of the governmental activities and the business-type activities of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany (the "Agency"), as of and for the years ended December 31, 2021 and 2020, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities and the business-type activities of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany as of December 31, 2021 and 2020, and the respective changes in financial position and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Responsibilities of Management for the Financial Statements***

The City of Albany Industrial Development Agency, a Component Unit of the City of Albany's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Responsibilities of Management for the Financial Statements (Continued)***

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's ability to continue as a going concern for one year after the date that the financial statements are issued.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and budgetary comparison information on pages 4 through 8 and Schedule I be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March \_\_, 2022 on our consideration of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control over financial reporting and compliance.

## Management's Discussion and Analysis

---

The following Management's Discussion and Analysis (MD&A) of the City of Albany Industrial Development Agency's (CAIDA or Agency) activities and financial performance is offered as an introduction and overview of the financial statements of CAIDA for the fiscal years ended December 31, 2021 and 2020. Following this MD&A are the basic financial statements of CAIDA together with the notes thereto which are essential to a full understanding of the data contained in the financial statements. In addition to the notes, this section also presents certain supplementary information to assist with the understanding of CAIDA's financial operations.

### **OPERATION SUMMARY**

The City of Albany Industrial Development Agency's mission is to encourage investment and job creation/retention within the City of Albany. To do this, the Agency extends conduit tax-exempt and taxable bond issuance, mortgage recording, sales, and real-property tax abatements to offset or finance construction, rehabilitation, and equipping costs for eligible projects.

The CAIDA participates in a project by taking title to or a leasehold interest in the real property and/or equipment of the project using the proceeds of bonds sold by CAIDA. By separate agreement, the private firm leases the facilities from the CAIDA. Lease payments are usually equal to the debt service obligations of the issued bonds. The CAIDA does not provide credit enhancement and issues bonds on a non-recourse basis.

Through a professional services agreement, the Capitalize Albany Corporation (CAC), an independent, not-for-profit economic development corporation provides staffing and administrative support to CAIDA. Staff meets with prospective developers to discuss the specifics of a particular project or development and makes recommendations about appropriate economic development programs as well as other project related issues. If CAIDA is an appropriate route, the applicant will complete and submit an application that outlines certain information and data, including anticipated level of job creation and retention that the project will generate. The application is reviewed by staff and counsel to determine project qualification and address other due diligence issues. The seven-member CAIDA Board meets monthly or as necessary to consider project applications focusing on the "public benefits" related to the proposed project, other economic impacts and benefits on the local economy, and the anticipated employment impact. As part of the review process, the CAIDA members also consider potential costs to the local community of the project, including the loss of potential tax revenue. Each project is also required to provide an inducement resolution that specifically states how the project meets the statutory definitions of eligibility. The Agency convenes a public hearing for all projects that requests financial incentives greater than \$100,000 in value.

This approximately \$80.0 million project will create an estimated 8 permanent jobs and 300 construction jobs.

### **Clinton Avenue Apartments II, LLC**

The Project proposes to revitalize 6 properties located on Clinton Avenue in Arbor Hill located at 78, 133, 163, 236, 303 and 307 Clinton Ave. The proposed project includes the historic preservation of four vacant row homes and the adaptive reuse of a long vacant former school building and the new construction of a 3-story mixed use building into a total of 61 residential affordable housing units (36 – or +/- 59% - new construction and 25 – or +/- 41% - rehab) benefiting households with incomes up to 80% of the Area Median Income. Additionally, the mixed-use building incorporates approx. 12,000 SF of commercial space dedicated to the Albany Center for Economic Success with the intention “to promote successful ownership of sustainable businesses among people of color, women and low-income individuals by providing technical assistance and incubator services.” This approximately \$23.9 million project will create an estimated 17 permanent jobs and 150 construction jobs.

### **Lofts at Pine Hills, LLC**

The Project consists of the construction of a residential market rate apartment complex in two 4-story buildings in the Pine Hills neighborhood totaling approx. 100,700 SF. When completed, the structures will contain 83 dwelling units and approx. 6,000 SF of commercial/retail space. Off-street parking for +/- 69 cars will also be available. This approximately \$29.9 million project will create an estimated 5 permanent jobs and 150 construction jobs. This project will also retain 2 existing jobs.

**CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY,  
A COMPONENT UNIT OF THE CITY OF ALBANY**

Notes To Financial Statements

**Note 1: Organization And Summary Of Significant Accounting Policies**

***Organization***

The City of Albany Industrial Development Agency (the "Agency"), a public benefit corporation created by State legislation, is a component unit of the City of Albany, New York, and commenced operations on May 13, 1974. The Agency's purpose is to promote the advancement of job opportunities, health, general prosperity, and economic welfare of the people of the State of New York, to attract commerce and industry, and to retain areas adaptable for commercial and/or industrial purposes. Additionally, the Agency's purpose is to promote, develop, encourage, and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, and research facilities. The Agency also has the power to acquire, construct, reconstruct, lease, sell, improve, maintain, equip, or furnish certain properties and facilities. The members of the Agency are appointed by the City of Albany's Common Council. Agency members have complete responsibility for management of the Agency and accountability for fiscal matters.

***Summary of significant accounting policies***

**(a) Basis of presentation**

The Agency utilizes the accrual basis of accounting, wherein revenue is recognized when earned and expenses are recognized when incurred. The accompanying financial statements of the Agency have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) for governments as prescribed by the *Government Accounting Standards Board (GASB)*, which is the primary standard setting body for establishing governmental accounting and financial principles.

**(b) Cash, cash equivalents, and restricted cash**

The Agency's investment policies are governed by State statutes. The Agency's funds must be deposited in FDIC insured commercial banks or trust companies located within the State. The Agency is authorized to use demand accounts and certificates of deposit. Permissible investments include obligations of the U.S. Treasury and obligations of New York State or its localities.

Collateral is required for demand deposits and certificates of deposit for all deposits not covered by federal deposit insurance. Obligations that may be pledged as collateral are obligations of the United States and its agencies and obligations of the State and its municipalities and school districts.

**CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY,  
A COMPONENT UNIT OF THE CITY OF ALBANY**

Notes To Financial Statements

**Note 1: Organization And Summary Of Significant Accounting Policies (Continued)**

**(b) Cash, cash equivalents, and restricted cash (continued)**

At December 31, 2021, the carrying amount of the Agency's deposits, including cash and a money market account, was \$3,363,278. The insured and collateral status of the year end bank balances are as follows:

**Status of bank balances:**

Collateralized with securities held by a third party for the benefit of the Agency pursuant to a third party custodian agreement	\$ 3,219,102
Covered by federal deposit insurance	<u>250,000</u>
<b>Total Bank Balances</b>	<b><u>\$ 3,469,102</u></b>

The Agency holds an escrow account as required by an agreement with Capitalize Albany Corporation (CAC). The escrow account balance is reported as restricted cash on the Statements of Net Position and has a balance of \$42,749 at December 31, 2021. These funds are used to pay for eminent domain proceedings and related expenses per the agreement with the CAC.

**(c) Statement of cash flows and cash equivalents**

The Agency follows accounting principles generally accepted in the United States of America, which requires the reporting of cash flows under the direct method of cash flow reporting. For purposes of the statements of cash flows, the Agency considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents in accordance with accounting principles generally accepted in the United States of America.

**(d) Mortgage notes and accounts receivable**

Substantially all of the mortgage notes and accounts receivable are considered collectible. Accordingly, no allowance for doubtful accounts is required.

**(e) Property and equipment**

The cost of property and equipment is depreciated over the estimated useful lives of the related assets using the straight-line method.

**(f) Deferred revenue**

Fee income collected for the upcoming year is recorded as deferred revenue and recognized in the period in which the corresponding expenses occur.

**CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY,  
A COMPONENT UNIT OF THE CITY OF ALBANY**

Notes To Financial Statements

**Note 1: Organization And Summary Of Significant Accounting Policies (Continued)**

**(g) Net position - restricted**

The Agency has a restricted fund balance of \$42,749 that is to be used for eminent domain proceedings and related expenses.

**(h) Industrial development revenue bonds**

The Agency may issue Industrial Development Revenue Bonds. The Bonds are special obligations of the Agency, payable solely from revenue derived from the leasing, sale, or other disposition of a project. As explained more fully in Note 6, there is no liability to the Agency; therefore, the obligations are not accounted for in the accounts of the Agency.

Operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the Agency. Exchange transactions are those in which each party receives and gives up essentially equal value. Non-operating revenues, such as investment earnings, result from non-exchange transactions.

**(i) Income taxes**

The Agency is exempt from federal, state, and local income taxes.

**(j) Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The application of these accounting principles involves the exercise of judgment and use of assumptions as to future uncertainties and, as a result, actual results could differ from these estimates. The Agency periodically evaluates estimates and assumptions used in the preparation of the financial statements and makes changes on a prospective basis when adjustments are necessary.

**(k) Presentation**

Certain reclassifications, when applicable, are made to the prior year financial statement presentation to correspond to the current year's format. Reclassifications, when made, have no effect on net position or net income (loss).

**CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY,  
A COMPONENT UNIT OF THE CITY OF ALBANY**

Notes To Financial Statements

**Note 2: Mortgage Notes Receivable**

The Agency's mortgage notes receivable comprise loans which are recorded at cost. The mortgagor is James Housing Development Fund Company, Inc. The original mortgage was signed December 23, 1992. At December 31, 2021 \$131,970 was recorded as a current asset as the loan matures on December 23, 2022. At December 31, 2020 \$131,970 was recorded as a long-term asset.

**Note 3: Property And Equipment**

Property and equipment, stated on the statements of net position at cost less accumulated depreciation at December 31 consists of:

	<u>2021</u>		<u>2020</u>	
<u>Item</u>	<u>Cost</u>	<u>Accumulated Depreciation</u>	<u>Cost</u>	<u>Accumulated Depreciation</u>
Equipment	\$ 4,691	\$ 1,642	\$ 4,691	\$ 704

Depreciation expense charged to operations for the years ended December 31, 2021 and 2020 was \$938 and \$704, respectively.

**Note 4: Mortgage Payable**

The Agency has entered into a loan agreement with the City of Albany. The proceeds are loaned, in turn, to the eligible mortgagor. Loan repayment maturities vary by loan and are collateralized by mortgage notes receivable.

At December 31, 2021 \$131,970 was recorded as a current liability as the loan matures on December 23, 2022. At December 31, 2020 \$131,970 was recorded as a long-term liability.

**Note 5: Related Party Transactions**

**CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY,  
A COMPONENT UNIT OF THE CITY OF ALBANY**

Notes To Financial Statements

**Note 6: Industrial Development Revenue Bond Transactions**

Industrial Development Revenue Bonds issued by the Agency are secured by property which is leased to private companies. The debt is retired by the lease payments. The bonds are not obligations of New York State, the City of Albany, and are not general obligations of the Agency. Accordingly, the Agency does not record related activity in its accounts. The Agency acts as a financing conduit. For providing this service, the Agency receives an administrative fee. Such administrative fee income is recognized immediately upon issuance of bonds. Industrial Development Revenue Bonds outstanding as of December 31, 2021 total \$57,902,664.

**Note 7: Sublease Agreement**

The Agency had an agreement with the New Covenant Charter School (the “Charter School”) to lease a portion of the Charter School’s building as a community center. The Agency paid the Community Center’s share of all operating and maintenance expenses, fees, and charges. The annual costs of this lease were \$44,234 and \$71,887 for the years ended December 31, 2021 and 2020, respectively. The original agreement was effective through November 30, 2009.

In June 2010, the Charter School closed and ownership rights reverted back to the bondholders. The Agency’s obligation under the lease continues despite the closing of the Charter School. Under a revised agreement, the Agency was required to pay 80% of all operating and maintenance expenses, fees, and charges until the Charter School building was purchased.

During the fourth quarter of 2013, the building was leased to the Albany City School District. In connection with the lease with the Albany City School District, the Agency’s obligation under the lease will continue with respect to sharing of operating and maintenance expenses, fees, and charges.

**Note 8: Risks And Uncertainties**

The extent of the impact of COVID-19 on the Agency’s operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on the Agency’s customers and employees, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Agency’s financial condition or results of operations is uncertain and cannot be reasonably estimated at this time.

**Note 9: Subsequent Events**

Subsequent events have been evaluated through March \_\_, 2022, which is the date the financial statements were available to be issued.

**Report On Internal Control Over Financial Reporting And  
On Compliance And Other Matters Based On An Audit Of  
Financial Statements Performed In Accordance With  
*Government Auditing Standards***

The Chairman and Board of Directors  
City of Albany Industrial Development Agency,  
a Component Unit of the City of Albany  
21 Lodge Street  
Albany, New York 12207

**Independent Auditors' Report**

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the business-type activities of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany (the "Agency") as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements and have issued our report thereon dated March 1, 2022.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Agency's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

***Internal Control Over Financial Reporting (Continued)***

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

March \_\_, 2022

The Chairman and Board of Directors  
City of Albany Industrial Development Agency,  
a Component Unit of the City of Albany  
21 Lodge Street  
Albany, New York 12207

We have audited the financial statements of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany (the "Agency") as of and for the year ended December 31, 2021, and have issued our report thereon dated March \_\_, 2022. Professional standards require that we advise you of the following matters relating to our audit.

### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated October 4, 2021, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Agency solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

## **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our Firm, as appropriate, and our Firm have complied with all relevant ethical requirements regarding independence.

## **Qualitative Aspects of the Agency's Significant Accounting Practices**

### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Agency is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

### *Financial Statement Disclosures*

The financial statement disclosures are neutral, consistent, and clear.

## **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

## **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior years on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. We did not identify any misstatements during the audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. We did not identify any misstatements.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Agency's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the management representation letter dated March \_\_, 2022.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with the Agency, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, operating and regulatory conditions affecting the Agency, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Agency's auditors.

This report is intended solely for the information and use of the Board of Directors and management of the Agency, and is not intended to be and should not be used by anyone other than these specified parties.

## **2021 Assessment of the Effectiveness of Internal Controls**

### **City of Albany Industrial Development Agency's ("IDA") Major Business Functions:**

The primary mission of the IDA is as follows:

*Assist in the enhancement and diversity of the economy of the City of Albany (the "City") by acting in support of projects in the City that create and/or retain jobs and/or promote private sector investment utilizing the statutory powers of the Agency as set forth under the provisions of the laws of the State of New York.*

No changes have occurred with respect to funding sources, mission or objectives of the IDA during 2021. Accomplishments, including financial status, committee accomplishments and legal requirements are outlined on a monthly basis via publically advertised and open meetings. Minutes of these meetings as well as supporting documents are maintained on the agency's website.

### **Risks Associated with IDA Operations:**

Public meeting rules are in place and regularly followed. The Chair of the Board of Directors is regularly engaged as are other board members. The Treasurer regularly reviews financial information which is then presented to the board at publically open meetings. Additionally, for both legal and financial aspects, IDA utilizes outside sources with expertise in the associated functions to lend additional controls. As such, risks are deemed to be low for all activities and functions within IDA. A review for 2021 finds no change to the differing levels of involvement and approval.

### **Internal Control Systems in Place**

There has been a longstanding set of policies, procedures and guidelines in place at the IDA that are designed to ensure the IDA's mission is carried out in full and to minimize risk. These items remained in place during 2021. Some of the key internal controls in place include:

- Public meeting and disclosure requirements are in effect and regularly followed.
- Board of Directors annually reviews and accepts the Agency policy manual and NYS PAAA policies.
- As noted previously, the use of external parties provides additional levels of internal control. Additionally, personnel with appropriate backgrounds and experience are utilized to help identify such items as legal or financial risks.
- Consistent reports are provided to management as well as the Treasurer and the full Board of Directors.
- The IDA annually has a financial audit. The financial audit provides an opinion on the financial statements and also includes the audit related assessment of internal controls.
- The Agency's board actions have addressed internal controls through review and adoption of policies and procedures within the Agency's policy manual. These policy and procedures include the following:
  - Annual Board adoption and review of Agency Policy Manual
  - Annual Board adoption and acceptance of NYS PAAA policies
  - Annual Board adoption and acceptance of PARIS reports
  - Annual Board adoption and review of Open Meetings and Conduct & Notification of Public Hearings policies

- Annual Board adoption and review of Project Monitoring & Enforcement and Agency Administrative & Other Fees policies
- Maintenance of website in accordance with the Agency's Access to Agency Records Policy
- Agency board has annually reviewed the Agency mission and Policy Manual to ensure the IDA's primary operations and functions will help fulfill its mission
- IDA staff is trained to understand the IDA objectives, functions, policies, procedures and guidelines
- Annual Board adoption and review of Conflicts of Interest Policy
- Annual Board adoption and review of financial records and Annual Financial Statement policy
- Monthly financial reports reviewed by Board of Directors
- Annual Board adoption and review of deposits & investments of Agency funds
- Annual Board adoption and review of Procurement policy
- Annual Board adoption and review of annual budget and budget policy
- Annual Board adoption and review of Agency property acquisition & disposition policies
- Annual external financial audit with Audit Committee oversight

#### **Extent to Which the Internal Control System is Effective**

Management has reviewed the internal control system for 2021 and finds that the items as outlined above remain in place and functioning as expected. The IDA's most recent financial audit (for the calendar year 2020 and the year ended December 31, 2020) identified no material weaknesses or significant deficiencies. Policies and procedures in place are deemed sufficient. As noted previously, IDA staff regularly reviews updates to pertinent rules.

#### **Corrective Action**

No specific corrective action is required at this time. Management consistently works to strengthen controls as possible.
