NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF CITY OF ALBANY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Section 2. Beginning with the third recital clause of the Approving Resolution, the recital clauses are hereby amended to read as follows:

“WHEREAS, in January, 2021, The Lofts at Pine Hills LLC, a New York State limited liability company (the “Company”), submitted an application (the “Original Application”) to the Agency, a copy of which Original Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the “Original Project”) for the benefit of the Company, said Original Project consisting of the following: (A) (1) the acquisition of an interest in approximately 9 parcels of land totaling approximately 1.62 acres located at 177 Quail Street, 179 Quail Street, 181 Quail Street, 183 Quail Street, 185 Quail Street, 187 Quail Street, 233 Western Avenue, 237 Western Avenue and 694 State Street Rear (respectively, Tax Map numbers: 65.61-5-26, 65.61-5-27, 65.61-5-28, 65.61-5-29, 65.61-5-30, 65.61-5-31, 65.61-5-41.1, 65.61-5-42 and 65.61-5-14) in the City of Albany, Albany County, New York (collectively, the “Land”), together with approximately nine buildings located thereon (collectively, the “Existing Facility”), (2) the demolition of the Existing Facility and the construction on the Land of an approximately 124,323 square foot mixed use building and associated parking (the “Original New Facility” and collectively with the Existing Facility, the “Original Facility”), (3) the acquisition and installation therein and thereon of certain machinery, equipment and other personal property (collectively, the “Equipment”) (the Land, the Original Facility and the Equipment being collectively referred to as the “Original Project Facility”); all of the foregoing to be owned and operated by the Company as an approximately 97 unit residential apartment building with approximately 6,000 square feet of commercial/retail space and any other directly and indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real property transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Original Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, by resolution adopted by the members of the Agency on February 18, 2021 (the “Public Hearing Resolution”), the Agency authorized a public hearing to be held pursuant to Section 859-a of the Act with respect to the Original Project; and

WHEREAS, pursuant to the authorization contained in the Public Hearing Resolution, the Chief Executive Officer of the Agency (A) caused notice of a public hearing of the Agency (the “Public Hearing”) pursuant to Section 859-a of the Act, to hear all persons interested in the Original Project and the financial assistance being contemplated by the Agency with respect to the Original Project, to be mailed on February

25, 2021 to the chief executive officers of the county and of each city, town, village and school district in which the Original Project Facility is to be located, (B) caused notice of the Public Hearing to be posted on February 25, 2021 at Albany City Hall located at 24 Eagle Street in the City of Albany, Albany County, New York, as well as on the Agency's website, (C) caused notice of the Public Hearing to be published on February 27, 2021 in the Albany Times Union, a newspaper of general circulation available to the residents of City of Albany, Albany County, New York, (D) as a result of the ban on large meetings or gatherings pursuant to Executive Order 202.1, as supplemented, and the suspension of the Open Meetings Law relating to public hearings pursuant to Executive Order 202.15, as supplemented, each as issued by Governor Cuomo in response to the novel Coronavirus (COVID-19) pandemic, conducted the Public Hearing on March 10, 2021 at 12:00 o'clock p.m. local time, electronically via conference call rather than in person, and (E) prepared a report of the Public Hearing (the "Public Hearing Report") fairly summarizing the views presented at such Public Hearing and caused copies of said Public Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations (the "Regulations") adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, "SEQRA"), by resolution adopted by the members of the Agency on March 18, 2021 (the "Resolution Confirming SEQR Determination"), the Agency (A) concurred in the determination that the City of Albany Planning Board (the "Planning Board") is the "lead agency" with respect to SEQRA, and (B) acknowledged receipt of a negative declaration from the Planning Board issued on June 25, 2019 (the "Negative Declaration"), in which the Planning Board determined that the Original Project would not have a significant adverse environmental impact on the environment, and therefore, that an environmental statement need not be prepared with respect to the Original Project; and

WHEREAS, by further resolution adopted by the members of the Agency on March 18, 2021 (the "Commercial/Retail Finding Resolution"), the Agency (A) determined that the Original Project constituted a "commercial project" within the meaning of the Act, (B) found that although the Original Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Original Project, the Agency is authorized to provide financial assistance in respect of the Original Project pursuant to Section 862(2)(a) of the Act because the Original Project Facility is located in a highly distressed area, (C) determined, following a review of the Public Hearing Report, that the Original Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York, and (D) determined that the Agency would proceed with the Original Project and the granting of the Financial Assistance; provided however, that no financial assistance would be provided to the Original Project by the Agency unless and until the Mayor of the City of Albany, as chief executive officer of the City of Albany, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Original Project; and

WHEREAS, by resolution adopted by the members of the Agency on March 18, 2021 (the "Pilot Deviation Approval Resolution"), the members of the Agency determined to deviate from the Agency's uniform tax exemption policy with respect to the Original Project; and

WHEREAS, by further resolution adopted by the members of the Agency on March 18, 2021 (the “Approving Resolution”), the Agency determined to grant the Financial Assistance and to enter into a lease agreement (the “Lease Agreement”) between the Agency and the Company and certain other documents related thereto and to the Original Project (collectively with the Lease Agreement, the “Basic Documents”). Pursuant to the terms of the Lease Agreement, (A) the Company will agree (1) to cause the Original Project to be undertaken and completed, and (2) as agent of the Agency, to undertake and complete the Original Project and (B) the Agency has leased the Original Project Facility to the Company. The Lease Agreement grants to the Company certain options to acquire the Original Project Facility from the Agency; and

WHEREAS, by further resolution adopted by the members of the Agency on March 17, 2022 (the “Approving Extension of Approval Resolution”), the Agency determined to extend the expiration date of the Approving Resolution; and

WHEREAS, in April, 2021, the Agency received an amended application with respect to the Original Project (the “Application”), which Application supplants the Original Application, which Application requests the Agency to (A) amend the description of the Original Project, and (B) despite the increase in the cost of the Original Project, as amended, to decrease the Financial Assistance being provided by the Agency to the Company (collectively, the “Amendment”); and

WHEREAS, pursuant to the Application, a copy of which Application is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the “Project”) which amends the Original Project for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in approximately 9 parcels of land totaling approximately 1.62 acres located at 177 Quail Street, 179 Quail Street, 181 Quail Street, 183 Quail Street, 185 Quail Street, 187 Quail Street, 233 Western Avenue, 237 Western Avenue and 694 State Street Rear (respectively, Tax Map numbers: 65.61-5-26, 65.61-5-27, 65.61-5-28, 65.61-5-29, 65.61-5-30, 65.61-5-31, 65.61-5-41.1, 65.61-5-42 and 65.61-5-14) in the City of Albany, Albany County, New York (collectively, the “Land”), together with approximately nine buildings located thereon (collectively, the “Existing Facility”), (2) the demolition of the Existing Facility and the construction on the Land of two (2) buildings containing approximately 105,610 square feet of space (collectively, the “New Facility” and collectively with the Existing Facility, the “Facility”), (3) the acquisition and installation therein and thereon of certain machinery, equipment and other personal property (collectively, the “Equipment”) (the Land, the Facility and the Equipment being collectively referred to as the “Project Facility”); all of the foregoing to be owned and operated by the Company as an approximately 83 unit residential apartment building with approximately 5,563 square feet of commercial/retail space and approximately 69 off street parking spaces and any other directly and indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real property transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

the Agency providing more than \$100,000 of “financial assistance” (as such quoted term is defined in the Act) to the Company, Section 859-a of the Act does not require a public hearing to be held with respect to the Amendment; and

WHEREAS, pursuant to Section 862(2) of the Act, prior to providing the Financial Assistance to the Project, the Mayor, as chief executive officer of the City of Albany, New York, must confirm the proposed action of the Agency; and

WHEREAS, the Agency has given due consideration to the Application, and to representations by the Company that (A) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Company to undertake the Project in the City of Albany, New York and (B) the completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York; and

WHEREAS, the Agency desires to encourage the Company to preserve and advance the job opportunities, health, general prosperity and economic welfare of the people of the City of Albany, New York by undertaking the Project in the City of Albany, New York; and
