Independent Auditors' Report

Report on the Audits of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities and the business-type activities of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany (the "Agency"), as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements, which collectively comprise City of Albany Industrial Development Agency, a Component Unit of the City of Albany's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities and the business-type activities of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany as of December 31, 2023 and 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The City of Albany Industrial Development Agency, a Component Unit of the City of Albany's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and budgetary comparison information on pages 4 through 7 and Schedule I be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board* who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March __, 2024 on our consideration of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control over financial reporting and compliance.

Management's Discussion and Analysis

The following Management's Discussion and Analysis (MD&A) of the City of Albany Industrial Development Agency's (CAIDA or Agency) activities and financial performance is offered as an introduction and overview of the financial statements of CAIDA for the fiscal years ended December 31, 2023 and 2022. Following this MD&A are the basic financial statements of CAIDA together with the notes thereto which are essential to a full understanding of the data contained in the financial statements. In addition to the notes, this section also presents certain supplementary information to assist with the understanding of CAIDA's financial operations.

OPERATION SUMMARY

The City of Albany Industrial Development Agency's mission is to encourage investment and job creation/retention within the City of Albany. To do this, the Agency extends conduit tax-exempt and taxable bond issuance, mortgage recording, sales, and real-property tax abatements to offset or finance construction, rehabilitation, and equipping costs for eligible projects.

The CAIDA participates in a project by taking title to or a leasehold interest in the real property and/or equipment of the project using the proceeds of bonds sold by CAIDA. By separate agreement, the private firm leases the facilities from the CAIDA. Lease payments are usually equal to the debt service obligations of the issued bonds. The CAIDA does not provide credit enhancement and issues bonds on a non-recourse basis.

Through a professional services agreement, the Capitalize Albany Corporation (CAC), an independent, not-for-profit economic development corporation provides staffing and administrative support to CAIDA. Staff meets with prospective developers to discuss the specifics of a particular project or development and makes recommendations about appropriate economic development programs as well as other project related issues. If CAIDA is an appropriate route, the applicant will complete and submit an application that outlines certain information and data, including anticipated level of job creation and retention that the project will generate. The application is reviewed by staff and counsel to determine project qualification and address other due diligence issues. The seven-member CAIDA Board meets monthly or as necessary to consider project applications focusing on the "public benefits" related to the proposed project, other economic impacts and benefits on the local economy, and the anticipated employment impact. As part of the review process, the CAIDA members also consider potential costs to the local community of the project, including the loss of potential tax revenue. Each project is also required to provide an inducement resolution that specifically states how the project meets the statutory definitions of eligibility. The Agency convenes a public hearing for all projects that requests financial incentives greater than \$100,000 in value.

For purposes of the statements of cash flows, the Agency considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents in accordance with accounting principles generally accepted in the United States of America.

(d) Mortgage notes and accounts receivable

Substantially all of the mortgage notes and accounts receivable are considered collectible. Accordingly, no allowance for doubtful accounts is required.

(e) Property and equipment

The cost of property and equipment is depreciated over the estimated useful lives of the related assets using the straight-line method.

Notes To Financial Statements

Note 1: Organization And Summary Of Significant Accounting Policies (Continued)

(f) Leases

Leases that have a maximum possible lease term of twelve months or less upon commencement date are considered short-term in nature and are not capitalized. Accordingly, short-term leases are not included on the Statements of Net Position and are expensed on a straight-line basis over the lease term, which commences on the date the Agency has the right to control the property. The Agency categorizes leases with contractual terms longer than twelve months as financing leases. Leases with a term of one month or less are excluded from disclosure in short-term lease expense.

(g) Deferred revenue

Fee income collected for the upcoming year is recorded as deferred revenue and recognized in the period in which the corresponding expenses occur.

(h) Net position - restricted

The Agency has a restricted fund balance of \$9,925 that is to be used for eminent domain proceedings and related expenses.

(i) Industrial development revenue bonds

The Agency may issue Industrial Development Revenue Bonds. The Bonds are special obligations of the Agency, payable solely from revenue derived from the leasing, sale, or other disposition of a project. As explained more fully in Note 9, there is no liability to the Agency; therefore, the obligations are not accounted for in the accounts of the Agency.

Operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the Agency. Exchange transactions are those in which each party receives and gives up essentially equal value. Non-operating revenues, such as investment earnings, result from non-exchange transactions.

(j) Income taxes

The Agency is exempt from federal, state, and local income taxes.

Notes To Financial Statements

Note 1: Organization And Summary Of Significant Accounting Policies (Continued)

(k) Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The application of these accounting principles involves the exercise of judgment and use of assumptions as to future uncertainties and, as a result, actual results could differ from these estimates. The Agency periodically evaluates estimates and assumptions used in the preparation of the financial statements and makes changes on a prospective basis when adjustments are necessary.

(l) Presentation

Certain reclassifications, when applicable, are made to the prior year financial statement presentation to correspond to the current year's format. Reclassifications, when made, have no effect on net position or net income (loss).

Note 2: Mortgage Notes Receivable

The Agency's mortgage notes receivable comprise loans which are recorded at cost. The mortgagor is James Housing Development Fund Company, Inc. The original mortgage was signed September 14, 1994.

At December 31, 2023 and 2022 \$131,970 was recorded as a long-term asset as the loan matures on June 30, 2025.

Note 7: Related Party Transactions

The Agency shares a common board of directors with the City of Albany Capital Resource Corporation, a Component Unit of the City of Albany. For the years ended December 31, 2023 and 2022, the Agency received \$515 and \$14,827, respectively, based on the terms of a contract for services agreement.

Note 8: Eminent Domain

Effective October 24, 2022, and pursuant to an Order of the Supreme Court dated October 21, 2022, the Agency was vested with title to various parcels of land located in downtown City of Albany, New York (the "Liberty Park Land Parcels") pursuant to the provisions of the Eminent Domain Procedure Law of the State of New York (the "EDPL"). Pursuant to Section 302 of the EDPL, the Agency arranged for the preparation of a commercial appraisal of the Land and such appraisal estimated the fair market value of the Liberty Park Land Parcels to be equal to \$2,650,000. In connection with the vesting of such title, the Agency deposited an amount equal to \$2,650,000 with the office of the Albany County Clerk as an advance payment (the "Advance Payment") for the acquisition of the Liberty Park Land Parcels pursuant to a Notice of Deposit with Court dated September 30, 2022.

The actual amount to be paid by the Agency for the acquisition of the Liberty Park Land Parcels is subject to a determination by the Supreme Court pursuant to a proceeding under the EDPL. The Agency and Capitalize Albany Corporation have entered into a Funding Agreement dated as of November 11, 2020 whereby Capitalize Albany Corporation has agreed to pay the purchase price for the Liberty Park Land Parcels. The Agency has authorized the conveyance of the Liberty Park Land Parcels to Liberty Square Development, LLC, a limited liability company formed by the Capitalize Albany Corporation for the purpose of holding title to the Liberty Park Land Parcels. The Agency expects to complete the conveyance of the Liberty Park Land Parcels following the satisfaction of the 90-day public agency notice period required under Section 2897 of the Public Authorities Law. As of December 31, 2023, the conveyance of the Liberty Park Land Parcels has been satisfied.

Note 9: Industrial Development Revenue Bond Transactions

Industrial Development Revenue Bonds issued by the Agency are secured by property which is leased to private companies. The debt is retired by the lease payments. The bonds are not obligations of New York State, the City of Albany, and are not general obligations of the Agency. Accordingly, the Agency does not record related activity in its accounts. The Agency acts as a financing conduit. For providing this service, the Agency receives an administrative fee. Such administrative fee income is recognized immediately upon issuance of bonds. Industrial Development Revenue Bonds outstanding as of December 31, 2023 total \$27,773,332.

**Report On Internal Control Over Financial Reporting And
On Compliance And Other Matters Based On An Audit Of
Financial Statements Performed In Accordance With
*Government Auditing Standards***

The Chairman and Board of Directors
City of Albany Industrial Development Agency,
a Component Unit of the City of Albany

Albany, New York 12207

Independent Auditors' Report

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the business-type activities of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany (the "Agency") as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's basic financial statements and have issued our report thereon dated March __, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Report on Internal Control Over Financial Reporting (Continued)

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Albany Industrial Development Agency, a Component Unit of the City of Albany's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

March __, 2024

The Board of Directors
City of Albany Industrial Development Agency,
a Component Unit of the City of Albany
21 Lodge Street
Albany, New York 12207

We have audited the financial statements of the City of Albany Industrial Development Agency, a Component Unit of the City of Albany (the "Agency") as of and for the year ended December 31, 2023, and have issued our report thereon dated March __, 2024. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated October 3, 2023, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Agency solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our Firm, as appropriate, and our Firm have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified the following significant risks:

- Management override of controls due to its potential to undermine the integrity of financial reporting and internal controls. This practice involves management intentionally bypassing or manipulating established controls, which can lead to fraudulent activities, misrepresentation of financial information, reduced transparency, and regulatory non-compliance. Special audit attention is necessary to detect such misconduct, safeguard the accuracy of financial reporting, ensure regulatory compliance, and maintain the trust of users of the financial statements.
- Cash is particularly vulnerable to fraud due to its liquidity and ease of conversion. This includes being susceptible to both misappropriation of assets and fraudulent financial reporting and similar fraudulent activities.

Qualitative Aspects of the Agency's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Agency is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2023. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Financial Statement Disclosures

The financial statement disclosures are neutral, consistent, and clear.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior years on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. We did not identify any misstatements during the audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The following material misstatements that we identified as a result of our audit procedures were brought to the attention of, and corrected by, management: recording the transfer of the fair value of land that the Agency held title to and the corresponding amount paid to Capitalize Albany Corporation at December 31, 2023.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Agency's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management representation letter dated March __, 2024.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Agency, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, operating and regulatory conditions affecting the Agency, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Agency's auditors.

2023 Assessment of the Effectiveness of Internal Controls

City of Albany Industrial Development Agency's ("IDA") Major Business Functions:

The primary mission of the IDA is as follows:

Assist in the enhancement and diversity of the economy of the City of Albany (the "City") by acting in support of projects in the City that create and/or retain jobs and/or promote private sector investment utilizing the statutory powers of the Agency as set forth under the provisions of the laws of the State of New York.

No changes have occurred with respect to funding sources, mission or objectives of the IDA during 2023. Accomplishments, including financial status, committee accomplishments and legal requirements are outlined on a monthly basis via publicly advertised and open meetings. Minutes of these meetings as well as supporting documents are maintained on the agency's website.

Risks Associated with IDA Operations:

Public meeting rules are in place and regularly followed. The Chair of the Board of Directors is regularly engaged as are other board members. The Treasurer regularly reviews financial information which is then presented to the board at publicly open meetings. Additionally, for both legal and financial aspects, IDA utilizes outside sources with expertise in the associated functions to lend additional controls. As such, risks are deemed to be low for all activities and functions within IDA. A review for 2023 finds no change to the differing levels of involvement and approval.

Internal Control Systems in Place

There has been a longstanding set of policies, procedures and guidelines in place at the IDA that are designed to ensure the IDA's mission is carried out in full and to minimize risk. These items remained in place during 2023. Some of the key internal controls in place include:

- Public meeting and disclosure requirements are in effect and regularly followed.
- Board of Directors annually reviews and accepts the Agency policy manual and NYS PAAA policies.
- As noted previously, the use of external parties provides additional levels of internal control. Additionally, personnel with appropriate backgrounds and experience are utilized to help identify such items as legal or financial risks.
- Consistent reports are provided to management as well as the Treasurer and the full Board of Directors.
- The IDA annually has a financial audit. The financial audit provides an opinion on the financial statements and also includes the audit related assessment of internal controls.
- The Agency's board actions have addressed internal controls through review and adoption of policies and procedures within the Agency's policy manual. These policy and procedures include the following:
 - Annual Board adoption and review of Agency Policy Manual
 - Annual Board adoption and acceptance of NYS PAAA policies
 - Annual Board adoption and acceptance of PARIS reports
 - Annual Board adoption and review of Open Meetings and Conduct & Notification of Public Hearings policies

- Annual Board adoption and review of Project Monitoring & Enforcement and Agency Administrative & Other Fees policies
- Maintenance of website in accordance with the Agency's Access to Agency Records Policy
- Agency board has annually reviewed the Agency mission and Policy Manual to ensure the IDA's primary operations and functions will help fulfill its mission
- IDA staff is trained to understand the IDA objectives, functions, policies, procedures and guidelines

Extent to Which the Internal Control System is Effective

Management has reviewed the internal control system for 2023 and finds that the items as outlined above remain in place and functioning as expected. The IDA's most recent financial audit (for the calendar year 2022 and the year ended December 31, 2022) identified no material weaknesses or significant deficiencies. Policies and procedures in place are deemed sufficient. As noted previously, IDA staff regularly reviews updates to pertinent rules.

Corrective Action

No specific corrective action is required at this time. Management consistently works to strengthen controls when possible.
