Chair Joseph Better called the Audit Committee meeting of the CRC to order at 12:53 p.m. at 21 Lodge St., Albany, NY.

Roll Call, Reading and Approval of Minutes of November 14, 2024, Audit Committee Meeting

A roll call of the Committee members present was held. Chair Joseph Better reported a quorum with all Committee members present. Since the minutes of the previous meeting had been distributed to the Committee in advance for review, Chair Better asked for a motion to dispense with their reading and approve the minutes of the Audit Committee meeting of November 14, 2024. A motion was made by Darius Shahinfar and seconded by John Maxwell to accept the minutes as presented. The motion to accept the minutes as presented was passed with all present members voting aye.

Review of Draft 2024 CRC Audited Financial Statements

Staff introduced Kylene Fitsik, Principal at Bonadio & Co., LLP, who presented the Draft 2024 Audited Financial Statements for the CRC to the Committee. Ms. Fitsik reported that the audit resulted in a clean, unmodified opinion, with the financial statements fairly presented in all material respects. No internal control or compliance issues related to financial reporting were identified. She further noted that the audit process proceeded without difficulties and commended management and staff for their adherence to reporting standards. Ms. Fitsik provided a detailed review of the 2024 Audited Financial Statements and addressed questions from the Committee.

A motion to move the Draft 2024 CRC Audited Financial Statements to the Board for approval was made by John Maxwell and seconded by Darius Shahinfar. A vote being taken, the motion passed unanimously.

Kylene Fitsik leaves the meeting at 12:59 p.m.

Review of Draft PARIS Reporting

Annual Report

Staff reviewed the 2024 Annual Report with the Committee. Staff reported on the 2024 annual compliance forms submitted and the job creation/retention for Corporation projects. Staff will continue the verification process until the March 31st deadline.

Procurement Report

The Corporation's CFO reviewed the 2024 Procurement Report with the Committee.

Investment Report

The Corporation's CFO reviewed the 2024 Investment Report with the Committee and noted that the Corporation is compliant in all respects.

Mission Statement and Performance Measurement Report

Staff reviewed the Corporation's Mission Statement and Performance Measurement Report with the Committee. There were no recommended changes to the mission statement. A summary of the CRC performance measurements can be found in the report for the total investments and jobs created and retained in 2024.

After review, Chair Better requested a motion to positively recommend moving the 2024 Draft PARIS Reporting for the CRC on to the full Board. A motion was made by Darius Shahinfar and seconded by John Maxwell. A vote being taken, the motion passed unanimously.

Review of Management Assessment of Internal Controls

The Corporation's CFO presented the Review of Management Assessment of Internal Controls to the Committee, noting that no changes are recommended. Additionally, no changes have occurred with respect to funding sources, mission or objectives of the CRC during 2024.

Chair Better requested a motion to positively recommend moving the Review of Management Assessment of Internal Controls on to the full Board. A motion was made by Darius Shahinfar and seconded by John Maxwell. A vote being taken, the motion passed unanimously.

Other Business

Compliance Update

Staff reminded the Board to return any outstanding conflict of interest and financial disclosures forms and reviewed the NYS Authorities Budget Office (ABO) policy guidance on Board Member Training with the Committee. The ABO recommends that directors of public authority's complete refresher training upon reappointment or at least every three years. In advance of the meeting, a copy of the ABO's policy guidance, including available course dates for April, was distributed to the Committee in advance for review.

There being no further business, Chair Better called for a motion to adjourn the meeting. A motion was made by Darius Shahinfar and seconded by John Maxwell. A vote being taken, the motion passed unanimously and the meeting was adjourned at 1:07 p.m.

Respectfully submitted,

Anthony Gaddy, Secretary

September 30, 2025

To the Board of Directors of:
City of Albany Capital Resource Corporation
21 Lodge Street
Albany, NY 12207

Dear Board Members:

We are pleased to confirm our understanding of the services we are to provide for City of Albany Capital Resource Corporation (the "CRC" or "you" or "your") for the year ended December 31, 2025.

Audit Scope and Objectives

We will audit the financial statements of the business-type activities and the disclosures, which collectively comprise the basic financial statements of the CRC as of and for the year ended December 31, 2025. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the CRC's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the CRC's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The Management's Discussion and Analysis is required by GAAP and will be subjected to certain limited procedures but will not be audited.

The objectives of our audit are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP; and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements

The objectives also include reporting on internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of your accounting records of the CRC and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the CRC or to acts by management or employees acting on behalf of the CRC. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CRC's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected customers, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have identified the following significant risk of material misstatement as part of our audit planning:

- Management override of controls

We may, from time to time and depending on the circumstances, use third-party service providers (including those located outside the United States) in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of financial statements does not relieve you of your responsibilities.

Audit Procedures—Internal Control

We will obtain an understanding of the CRC and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the CRC's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with accounting principles generally accepted in the United States of America, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is responsible for making drafts of financial statements, all financial records, and related information available to us; for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers); and for the evaluation of whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about the CRC's ability to continue as a going concern for the 12 months after the financial statements date or shortly thereafter (for example, within an additional three months if currently known). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the CRC from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by GAAS and *Government Auditing Standards*.

Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the CRC involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the CRC received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the CRC complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, or contracts or grant agreements that we report.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

With regard to using the auditor's report, you understand you must obtain our prior written consent to reproduce our report in bond offerings, official statements, or other documents, if required under the bond requirements.

Other Services

We will assist in preparing the financial statements and related notes of the CRC in conformity with accounting principles generally accepted in the United States of America based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

We will provide copies of our reports to the CRC; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Bonadio & Co., LLP and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to regulators or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for the purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Bonadio & Co., LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend or decide to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the regulators. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Bonadio & Co., LLP does not host any of the CRC's information. Our file share sites (i.e., myPortal/SharePoint) is used solely as a method of transferring data and is not intended to store the CRC's information. The CRC is solely responsible for downloading any deliverables and other records that the CRC wishes to retain for its own records at the completion of the engagement. The data and deliverables and other records will either be removed from our file share sites or otherwise become unavailable to the CRC at any time after issuance of the financial statements.

Alan S. Walther, CPA is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it. To ensure that Bonadio & Co. LLP's independence is not impaired under the AICPA *Code of Professional Conduct*, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

Our fee for these services will be \$5,200. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. In the event certain circumstances, as listed in Appendix A, arise during the engagement, our agreed upon fees will be affected and additional fees may be assessed. If significant additional time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly.

Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. Amounts not paid within 45 days from the invoice date will be subject to a late payment charge of 1.5% per month. We reserve the right to suspend all work if an account becomes one hundred and twenty or more days past due. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all the time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you concerning the scope of the additional services and the estimated fees. We also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

All services will be rendered by and under the supervision of qualified staff in accordance with AICPA standards and the terms and conditions set forth in this letter. We make no other representation or warranty regarding either the services to be provided or any Deliverables; in particular, and without limitation of the foregoing, any express or implied warranties of fitness for a particular purpose, merchantability, warranties arising by custom or usage in the profession, and warranties arising by operation of law are expressly disclaimed.

In no event, unless it has been finally determined by a court of competent jurisdiction that we were grossly negligent or acted willfully or fraudulently, shall we be liable to you or any of your officers, directors, employees or shareholders or to any other third party, whether a claim be in tort, contract or otherwise for any amount in excess of the total professional fee paid by you to us under this agreement for the particular service to which such claim relates. In no event shall we be liable for any special, consequential, indirect, exemplary, punitive, lost profits or similar damages, even if we have been apprised of the possibility thereof.

Neither party shall be liable to the other for any delay or failure to perform any of the services nor obligations set forth in this letter due to causes beyond its reasonable control. All terms and conditions of this letter that are intended by their nature to survive termination of this letter shall survive termination and remain in full force, including but not limited to the terms and conditions concerning payments, warranties, limitations of liability, indemnities, and resolution of differences. If any provision of this letter is determined to be invalid under any applicable law, such provision will be applied to the maximum extent permitted by applicable law, and shall automatically be deemed amended in a manner consistent with its objectives to the extent necessary to conform to any limitations required under applicable law.

You agree to indemnify and hold harmless us and our affiliates, officers, directors, employees, and agents from and against any and all claims, liabilities, damages, losses, costs, and expenses

(including reasonable attorneys' fees) arising out of or related to any third-party claims, demands, lawsuits, or proceedings arising out of or related to or in connection with the services under this Agreement, except to the extent finally determined by a court of competent jurisdiction to have resulted from the gross negligence, willful misconduct, or fraudulent behavior of us relating to such services.

In the event of a dispute related in any way to our services, our firm and you agree to discuss the dispute and if necessary, to promptly mediate in a good faith effort to resolve. We will agree on a mediator, but if we cannot, either of us may apply to a court of competent jurisdiction located in Monroe County, State of New York for appointment of a mediator. We will share the mediator's fees and expenses equally, but otherwise will bear our own attorneys' fees and mediation cost. Participation in such mediation shall be a condition to either of us initiating litigation, which, if initiated, shall be done so in a court of competent jurisdiction located in Monroe County, State of New York. In order to allow time for the mediation, any applicable statute of limitations shall be tolled for a period not to exceed 120 days from the date either of us first requests in writing to mediate the dispute. The mediation shall be confidential in all respects, as allowed or required by law, except our final settlement positions at mediation shall be admissible in litigation solely to determine the prevailing party's identity for purposes of the award of attorneys' fees.

In the unlikely event that differences concerning this engagement or our services provided hereunder should arise that are not resolved by mutual agreement, to facilitate judicial resolution and save time and expense of both parties, we both agree not to demand a trial by jury in any action, proceeding or counterclaim arising out of or relating to this engagement. This engagement will be governed by the laws of the State of New York.

We have the right to withdraw from this engagement if you do not provide us with any information we request in a timely manner, refuse to cooperate with our reasonable requests, or misrepresent any facts. Our withdrawal will release us from any obligation to complete the work described in this letter and will constitute completion of our engagement. You agree to compensate us for our time and out-of-pocket expenses through the date of our withdrawal.

Reporting

We will issue a written report upon completion of our audit of the CRC's financial statements. Our report will be addressed to the Board of Management of the CRC. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or withdraw from this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will state (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The report will also state that the report is not suitable for any other purpose. If during our audit we become aware that the CRC is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Electronic Communications

In performing services under this Agreement, Bonadio & Co., LLP and/or the CRC may wish to communicate electronically either via facsimile, electronic mail, cloud-based portal or similar methods (collectively, "Electronic Means"). However, the electronic transmission of information cannot be guaranteed to be secure or error free, and such information could be intercepted, corrupted, lost, destroyed, arrive late or incomplete or otherwise be adversely affected or unsafe to use. Unless you notify us otherwise, we shall regard your acceptance of this Agreement as your consent to use Electronic Means. It is therefore your responsibility to notify Bonadio & Co., LLP when/if your employee(s) no longer require access to Electronic Means that are controlled by Bonadio. Such notice may be sent by email to the partner responsible for this engagement at the address noted in the signature section of this Agreement. All risks related to your business, including access connected with the use of Electronic Means by you or your employees are borne by you and are not our responsibility.

You have requested that we provide you with a copy of our most recent external peer review report and any subsequent reports received during the contract period. Accordingly, our 2023 peer review report accompanies this letter.

We appreciate the opportunity to be of service to the CRC and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please and return it to us.

Very truly yours,
BONADIO & CO., LLP

Report on the Firm's System of Quality Control

September 18, 2023

To the Partners of Bonadio & Co., LLP
and the National Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of Bonadio & Co., LLP (the firm) applicable to engagements not subject to PCAOB permanent inspection, in effect for the year ended April 30, 2023. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a system review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported on in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing and complying with a system of quality control to provide the firm with reasonable assurance of performing and reporting in conformity with the requirements of applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported on in conformity with the requirements of applicable professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of and compliance with the firm's system of quality control based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act; audits of employee benefit plans; audits performed under FDICIA; and examinations of service organizations (SOC 1 and SOC 2 engagements).

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Bonadio & Co., LLP applicable to engagements not subject to PCAOB permanent inspection, in effect for the year ended April 30, 2023, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Bonadio & Co., LLP has received a peer review rating of *pass*.

Circumstances Affecting Timing and Fee Estimate

The fee quoted for the audit is based on certain assumptions. Circumstances may arise during the engagement that may significantly affect the targeted completion dates and our fee. As a result, additional fees may be necessary. Such circumstances include but are not limited to the following:

1. Changes to the timing of the engagement at your request. Changes to the timing of the engagement usually requires reassignment of personnel used in the performance of services hereunder. However, because it is often difficult to reassign individuals to other engagements, Bonadio & Co., LLP may incur significant unanticipated costs. The audit start date will be agreed upon with management.
2. All audit schedules are (a) not provided by you on the date requested, (b) not completed in an appropriate format or mathematically correct, or (c) not in agreement with the appropriate records (e.g., general ledger accounts, source documents, confirmations).
3. If all requested information is not provided by the date requested, additional fees at standard hourly rates will be charged for all work performed after the scheduled fieldwork dates.
4. Weaknesses or significant changes in the internal control structure or systems.
5. Necessary changes to management prepared financial statements.
6. Significant new issues or changes as follows:
 - a. Significant new accounting issues that require an unusual amount of time to resolve,
